# Safety Instruction Guide for MOLDED PLASTIC TOOL HANDLES BROWNELLS 6, BLACK L2 MODEL

## Introduction

Thank you for choosing the MOLDED PLASTIC TOOL HANDLES BROWNELLS 6, BLACK L2 MODEL. This guide provides important safety information and instructions for the proper use of these tool handles. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure safe use of the product by following these guidelines:
  - Always inspect the handles for any damage before use.
  - Use the handles only for their intended purpose, such as screwdrivers and chisels.
  - Keep the handles out of reach of children to prevent accidents.
  - Do not exceed the recommended size for drill holes to avoid compromising the handle's integrity.
  - If using a pilot drill, ensure it is appropriate for the size of the hole you require.
- Be aware of the following potential hazards:
  - Improper installation may lead to tool failure and injury.
  - Using the handles with incompatible tools may cause breakage.
- In case of any accidents or injuries, report them to the appropriate authorities.

## Specific Safety Precautions for Use

- When using the MOLDED PLASTIC TOOL HANDLES, please observe the following precautions:
  - Always wear appropriate personal protective equipment (PPE), such as safety glasses, when drilling or modifying the handles.
  - Ensure the work area is clean and free of hazards to prevent slips and falls.
  - Use a stable work surface to avoid accidents while drilling or installing the handles.
  - Follow the manufacturer's recommendations for the size and type of tools compatible with the handles.
  - If the handle becomes damaged during use, discontinue use immediately and replace it.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage:
  1. **Select the Correct Handle Size:** Choose the appropriate handle size based on your tool requirements:
    - L1 2 3/4" (7cm) long, 5/8" (15.9mm) dia. Hole is 1/8" (3.2mm) dia.
    - L2 3" (7.6mm) long, 13/16" (20.6mm) dia. Hole is 1/8" (3.2mm) dia.
    - L3 3 1/2" (8.9cm) long, 1" (25.4mm) dia. Hole is 3/16" (4.8mm) dia.
    - L4 3 3/4" (9.5cm) long, 11/8" (2.9cm) dia. Hole is 3/16" (4.8mm) dia.
    - L5 4 1/4" (10.8cm) long, 1 1/4" (3.2cm) dia. Hole is 5/16" (7.9mm) dia.
  2. **Prepare the Tool:** Ensure the tool you are attaching the handle to is clean and free from debris.
  3. **Drill the Hole:** If the predrilled hole does not fit your tool's tang:

- Use a pilot drill to create the correct size hole.
  - Drill to the depth required for a secure fit.
4. **Attach the Handle:** Slide the handle onto the tool's tang. Ensure a snug fit.
  5. **Secure with ACRAGLAS®:** For extra small tangs, apply ACRAGLAS® to secure the handle in place.
  6. **Test the Handle:** Before full use, test the handle for stability and security.

## Disposal Instructions

- Dispose of any damaged handles or unused materials responsibly:
  - Follow local regulations for plastic disposal.
  - Do not dispose of in general waste if recycling options are available.
  - Consider donating unused handles to local community workshops or schools if they are in good condition.

## Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details provided with the product packaging or visit the manufacturer's website.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy using your MOLDED PLASTIC TOOL HANDLES BROWNELLS 6, BLACK L2 MODEL responsibly!
