Safety Instruction Guide for MOLDED PLASTIC TOOL HANDLES BROWNELLS 6, YELLOW L4 MODEL

Introduction

Thank you for choosing the MOLDED PLASTIC TOOL HANDLES by Brownells. This guide provides essential safety instructions to ensure the safe and effective use of your tool handles. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the tool handles are used only for their intended purpose.
- Keep all tool handles out of reach of children and vulnerable individuals.
- Regularly inspect the handles for any signs of damage or wear before use.
- Follow all instructions provided in this guide to minimize risks during use.
- If you encounter any issues or concerns, please seek assistance from a qualified professional.

Specific Safety Precautions for Use

- Use appropriate tools for installation and ensure they are compatible with the handle size.
- Always wear safety goggles when drilling or shaping the handles to protect your eyes from debris.
- Avoid excessive force when using the handles to prevent breakage or injury.
- If the hole is not the correct size, use a pilot drill and adjust to the required size carefully.
- Ensure that the workspace is clean and free of hazards to prevent accidents.
- Do not use the handles if they show signs of cracking, splitting, or other damage.
- Store the handles in a dry place to avoid degradation from moisture.

Instructions for Installation and Usage

1. Selecting the Right Handle Size:

- Choose the appropriate handle size based on the tool you are using:
 - L1: 2³/₄" long, 5/8" dia., hole 1/8" dia.
 - L2: 3" long, 13/16" dia., hole 1/8" dia.
 - L3: 3¹/₂" long, 1" dia., hole 3/16" dia.
 - L4: 3³/₄" long, 11/8" dia., hole 3/16" dia.
 - L5: 4¹/₄" long, 1¹/₄" dia., hole 5/16" dia.

2. Preparing the Handle:

- If necessary, drill a pilot hole to ensure the handle fits securely on the tool.
- Use ACRAGLAS® for extra small tangs to ensure proper setting.

3. Installation:

- Align the handle with the tool tang.
- Insert the tang into the handle's hole, ensuring a snug fit.
- If adjusting the hole size, drill carefully until the desired diameter is achieved.

4. Usage:

- Use the tool handles in a steady and controlled manner.
- Avoid using the handles for tasks beyond their intended purpose.

Disposal Instructions

- Dispose of any damaged or worn handles responsibly.
- Follow local regulations for the disposal of plastic products.
- Consider recycling options where available.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the MOLDED PLASTIC TOOL HANDLES, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
