# **MOLDED PLASTIC TOOL HANDLES BROWNELLS 6, YELLOW L5 MODEL Safety Instruction Guide**

## **Introduction**

Thank you for choosing the MOLDED PLASTIC TOOL HANDLES BROWNELLS 6, YELLOW L5 MODEL. This guide provides essential safety instructions and information to ensure the safe and effective use of your tool handles. Please read and follow these instructions carefully.

## **General Safety Guidelines**

- Ensure that the tool handles are used only for their intended purpose, such as screwdrivers, chisels, etc.
- Always inspect the handles for any visible damage before use. Do not use damaged handles.
- Keep these handles out of reach of children to prevent accidents.
- Use the handles in a welllit area to minimize the risk of accidents.
- Follow all safety instructions provided with the tools you are using in conjunction with the handles.

## **Specific Safety Precautions for Use**

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using tools.
- Ensure that the handle is securely attached to the tool before use to prevent slippage.
- Use a pilot drill when modifying the hole size to avoid cracking or damaging the handle.
- Avoid using excessive force when using the handles, as this may lead to breakage.
- Be cautious of sharp edges and points on tools when attaching or detaching handles.

## **Instructions for Installation and Usage**

### **1. Selecting the Right Size:**

- Choose the appropriate handle size based on the specifications provided:
  - L1 2 3/4" (7cm) long, 5/8" (15.9mm) dia., Hole is 1/8" (3.2mm) dia.
  - L2 3" (7.6mm) long, 13/16" (20.6mm) dia., Hole is 1/8" (3.2mm) dia.
  - L3 3 1/2" (8.9cm) long, 1" (25.4mm) dia., Hole is 3/16" (4.8mm) dia.
  - L4 3 3/4" (9.5cm) long, 11/8" (2.9cm) dia., Hole is 3/16" (4.8mm) dia.
  - L5 4 1/4" (10.8cm) long, 1 1/4" (3.2cm) dia., Hole is 5/16" (7.9mm) diameter.

### **2. Drilling to Size:**

- If the hole is not the exact size required for your tool, use a pilot drill to create the desired hole size and depth.
- Ensure that the drill is set to the correct speed and pressure to avoid damaging the handle.

### **3. Attaching the Handle:**

- Insert the tool's tang into the handle's hole.
- Ensure a snug fit; if necessary, use ACRAGLAS® to secure extra small tangs.
- Check that the handle is firmly attached before using the tool.

### **4. Using the Tool:**

- Use the tool as intended, applying force gradually.
- Avoid using the tool in a manner that may cause strain on the handle.

## 5. Removing the Handle:

- To remove the handle, gently twist or pull it off the tool. Avoid using excessive force.

## Disposal Instructions

- Dispose of any damaged handles in accordance with local regulations.
- Do not dispose of handles in regular household waste if they are made of materials that require special disposal methods.
- Consider recycling options for plastic materials if available in your area.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the MOLDED PLASTIC TOOL HANDLES BROWNELLS 6, YELLOW L5 MODEL, please consult the manufacturer's contact resources or your point of purchase.

Thank you for prioritizing safety while using our products. Your adherence to these guidelines helps ensure a safe and effective experience.
