# HEAT SHIELD ADVANCED TECHNOLOGY HEAT SHIELD Safety Instructions

## Introduction

Thank you for choosing the HEAT SHIELD ADVANCED TECHNOLOGY HEAT SHIELD. This product is designed to enhance the safety and comfort of your shooting experience by providing a protective barrier against heat. Please read this safety instruction guide carefully to ensure safe and effective use of your heat shield.

## General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the heat shield is compatible with your specific shotgun model before installation.
- Regularly inspect the heat shield for any signs of wear or damage.
- Keep the heat shield and all firearms out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Heat Protection:** The heat shield is designed to protect your hands from burns. Always allow the firearm to cool before handling.
- **NonSlip Surface:** Ensure that the heat shield is properly installed to maintain a secure grip during use.
- **Installation Integrity:** Do not attempt to modify the heat shield or the firearm. Follow installation instructions strictly.
- **Age Restrictions:** This product is intended for adult use only. Keep it away from children.
- **Vulnerable Groups:** Extra caution should be taken when the product is used in the presence of individuals who may be less aware of safety risks.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all provided adapters and spacers.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Slide the heat shield over the barrel of the shotgun.
- Use the supplied hardware to secure the heat shield in place.
- Doublecheck that the heat shield is firmly attached and does not obstruct the operation of the firearm.

### 2. Usage:

- Always wear appropriate safety gear when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- After use, allow the firearm and heat shield to cool before handling.

## Disposal Instructions

- Dispose of the heat shield in accordance with local regulations for metal products.
- Do not dispose of in regular household waste. Check for recycling options in your area.
- Ensure that the product is out of reach of children during the disposal process.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the HEAT SHIELD ADVANCED TECHNOLOGY HEAT SHIELD, please refer to the product packaging for appropriate contact information. Always ensure that you are reaching out to a legitimate source for assistance.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your HEAT SHIELD ADVANCED TECHNOLOGY HEAT SHIELD. Thank you for your attention to safety.
