

# POLISHING COMPOUNDS - BROWNELLS POLISHING COMPOUND, GRAY STAR

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Compounds](#)

## Covers All Polishing Needs From Coarse Grit To Mirror Finish

Polishing abrasives have a myriad of uses in the shop. Cream Bobbing abrasive is coarse and aggressive for starting on metals with a rough surface. Brown Tripoli general purpose compound is a medium abrasive and safe for all metals. Gray Star is a medium cutting compound for harder metals like steel. White Ice is a fine abrasive compound for softer metals that require a delicate touch or as the final step in polishing steel. Green Flexible Multi-Purpose has a medium-to-fine cut and is safe for all metals; a good, all-around polish. Plastic Blue gives a mirror-smooth finish to acrylic, plastic, or fiberglass. Works great on plastic grip caps or forend tips. Green Rouge is a good choice for nickel, silver, or white gold. Blizzard Premium is a white compound that leaves an almost mirror finish on harder metals.

## Attributes

- Name: [BROWNELLS POLISHING COMPOUND, GRAY STAR](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 032000014
- Mfr. No.: C10891SAM
- Delivery weight: 0.159kg
- Shipping height: 36mm
- Shipping width: 51mm
- Shipping length: 130mm
- UPC: 050806003224

# Safety Instruction Guide for Polishing Compounds

## Brownells Polishing Compound, Gray Star

### Introduction

Thank you for choosing the Polishing Compounds Brownells Polishing Compound, Gray Star. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully.

### General Safety Guidelines

- Product Safety: Ensure safe use of the polishing compound by following all instructions.
- Enhanced Recalls: Be aware of standardized recall notices and free remedies for any dangerous products.
- Online Shopping: If purchased online, verify that the seller meets safety requirements.
- Special Consumer Focus: Extra care should be taken when using this product around vulnerable groups, such as children.
- EU Contact Point: For safety inquiries, refer to the EU contact point provided by your retailer.
- Rapid Alerts: Stay informed about unsafe products through the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Always use personal protective equipment (PPE) such as gloves and safety goggles when handling polishing compounds.
- Ensure adequate ventilation in the workspace to avoid inhalation of dust and fumes.
- Keep polishing compounds out of reach of children and pets.
- Do not ingest the product or use it on foodrelated items.
- Avoid skin contact. If contact occurs, wash the affected area with soap and water.
- If irritation occurs, seek medical attention.

### Instructions for Installation and Usage

- **Preparation:**

- Clean the surface to be polished to remove any dirt or debris.
- Ensure the area is wellventilated.

- **Usage:**

- Apply a small amount of Gray Star Compound to the polishing tool or cloth.
- Use a gentle, circular motion when polishing the surface.
- For best results, start with the coarser compounds and finish with finer ones as needed.

- **Cleaning:**

- After use, clean all tools and surfaces with a damp cloth to remove any residue.
- Store the compound in a cool, dry place away from direct sunlight.

### Disposal Instructions

- Dispose of any unused or expired polishing compounds according to local regulations.
- Do not pour down drains or dispose of in regular household waste.
- Contact local waste management authorities for guidance on hazardous waste disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety or usage of this product, please contact your retailer or the relevant EU authority for assistance.

Thank you for your attention to these safety instructions. Your safety is our priority.
