

# **MUSLIN WHEELS - BROWNELLS MUSLIN POLISHING WHEEL, LOOSE, 8" X 20-PLY, 1" ARBOR**

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Polishing Tools & Accessories](#) > [Polishing Wheels](#)

## **Mainstay Of Any Polishing Room For Most Polishing Jobs**

Spiral Stitched - used primarily for first cleaning operation on the gun with No. 140 Polish-O-Ray"! to knock off old blue, dirt and rust and bring the metal to a bright finish. Also used by some operators instead of Soft Felt wheels - being of a more flexible nature, great care must be exercised to not round edges, or funnel and elongate screw and pin holes. Loose Muslin - used following each change of grit to smooth out grit marks and prepare the surface for the next finer grit. Also used to finish off the gun just prior to bluing. Note: - Use enough sections to make each wheel as wide as your polishing motor will handle - a minimum of three sections to each wheel. Never try to use the same wheel for different grit numbers. After a wheel is broken-in and in use, mark it with the grit number to be used on it and direction of rotation to be turned. Will increase wheel life, give better finishes and save hours of work.

## **Attributes**

- Name: [BROWNELLS MUSLIN POLISHING WHEEL, LOOSE, 8" X 20-PLY, 1" ARBOR](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 032820001
- Mfr. No.: 101051AK
- Size: 8
- Style: Loose
- Delivery weight: 0.045kg
- Shipping height: 5mm
- Shipping width: 201mm
- Shipping length: 203mm
- UPC: 050806002937

# **Safety Instruction Guide for MUSLIN WHEELS BROWNELLS 8" LOOSE MUSLIN WHEEL 1" ARBOR**

## **Introduction**

Thank you for choosing the MUSLIN WHEELS BROWNELLS 8" LOOSE MUSLIN WHEEL 1" ARBOR. This product is designed for safe and effective polishing of metal surfaces. To ensure your safety and the best performance of the product, please read and follow these safety instructions carefully.

## **General Safety Guidelines**

- Always ensure the product is used according to the manufacturer's instructions.
- Check the product for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as safety goggles, gloves, and masks to prevent exposure to dust and debris during use.
- Ensure that your workspace is clean and free of any hazards that may cause accidents.
- Be aware of your surroundings and avoid distractions while using the product.

## **Specific Safety Precautions for Use**

- Ensure the polishing motor is compatible with the muslin wheel specifications before use.
- Do not exceed the recommended speed limits for the muslin wheel to avoid breakage and potential injury.
- Use enough sections to make each wheel as wide as your polishing motor can handle, with a minimum of three sections per wheel.
- Never mix different grit numbers on the same wheel to prevent contamination and ineffective polishing.
- After breaking in a wheel, clearly mark it with the grit number and direction of rotation to ensure proper use.
- Avoid rounding edges or elongating screw and pin holes during polishing to maintain the integrity of the workpiece.
- Store the muslin wheels in a dry and cool place to prevent moisture damage.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the polishing motor is powered off and unplugged.
- Select the appropriate arbor size for your motor (1/2", 5/8", 3/4", 7/8", or 1").
- Attach the muslin wheel securely to the arbor, ensuring it is centered and tight.
- Plug in the polishing motor and ensure it is functioning properly before use.

### **2. Usage:**

- Power on the polishing motor and allow it to reach the desired speed.
- Gently apply the muslin wheel to the surface of the workpiece, using even pressure.
- Move the wheel in a consistent motion to avoid uneven polishing.
- After completing the polishing with one grit, switch to a finer grit wheel for the next phase, ensuring to clean the workpiece between changes.
- Always turn off the polishing motor and unplug it when not in use or when changing wheels.

## **Disposal Instructions**

- Dispose of used muslin wheels in accordance with local regulations.
- Do not dispose of the product in general household waste if it is deemed hazardous.
- Consider recycling options where available to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the MUSLIN WHEELS BROWNELLS 8" LOOSE MUSLIN WHEEL 1" ARBOR, please refer to the manufacturer's contact details provided with the product packaging.

By following these guidelines, you can ensure the safe and effective use of your muslin wheels. Thank you for your attention to these safety instructions.
