

# PRE-LIM SURFACE CLEANER - PICREATOR PRE-LIM SURFACE CLEANER

[Gunsmith Tools](#) > [Stock Work & Finishing](#) > [Stock Waxes](#)

## Outstanding Quality, Used On Priceless Heirlooms In Museums Worldwide

Restores high-quality wood finishes, treated metals, and other sensitive surfaces without scratching. Paste mix of Neuburg silica chalks, petroleum distillates and water, burnishes away stubborn powder burns and brass deposits from revolver frames and bolt faces. Lifts away surface rust safely and effectively from blued and stainless surfaces, returning the factory shine, and leaving them silky-smooth. Helps remove surface imperfections and restore deep, natural glow to hand-rubbed oil finishes on stocks and furniture.

# PRELIM SURFACE CLEANER Safety Instructions

## Introduction

Thank you for choosing PRELIM SURFACE CLEANER by PICREATOR. This product is designed to restore highquality wood finishes, treated metals, and other sensitive surfaces without scratching. It effectively lifts away surface rust and helps remove imperfections, ensuring a factory shine. Please follow the safety instructions outlined in this guide to ensure safe and effective use of the product.

## General Safety Guidelines

- Always read the label and product information before use.
- Keep out of reach of children and pets.
- Use in a wellventilated area to avoid inhalation of vapors.
- Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water.
- Do not ingest. If swallowed, seek medical advice immediately.
- Store in a cool, dry place, away from direct sunlight and heat sources.
- Check for any product recalls on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear gloves and safety goggles while using the product to prevent skin and eye irritation.
- Do not use on surfaces that are not compatible with the product, such as untreated wood or porous materials.
- Test on a small, inconspicuous area before applying to the entire surface to ensure compatibility.
- Avoid using near open flames or sparks, as the product contains flammable components.
- Do not mix with other cleaning agents or chemicals.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the surface to be cleaned is free of loose dirt and debris.
- Shake the container well before use.

### 2. Application:

- Apply a small amount of PRELIM SURFACE CLEANER to a clean, soft cloth or sponge.
- Gently rub the surface in a circular motion, focusing on areas with stubborn stains or rust.
- For tougher spots, allow the cleaner to sit for a few minutes before wiping.

### 3. Finishing:

- Wipe away any excess cleaner with a clean, dry cloth.
- Buff the surface to restore shine and smoothness.

### 4. PostUse:

- Clean tools and cloths used with the product with soap and water.
- Ensure the cap is securely closed after each use.

## Disposal Instructions

- Dispose of any unused product or empty containers in accordance with local regulations.

- Do not dispose of the product down the drain or in the environment.
- Check for specific disposal instructions on the product label.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please contact the manufacturer directly. Ensure you have the product details on hand for reference.

Thank you for using PRELIM SURFACE CLEANER responsibly. Your safety is our priority.
