

# 1911 70 SERIES EXTRACTOR - BROWNELLS 1911 70 SERIES EXTRACTOR STAINLESS

[Handgun Parts](#) > [Action Parts](#) > [Extractor Parts](#) > [Extractors](#)

## Extra-Tough For Long Life & Reliable Extraction

Machined steel extractors for 70 series 1911 pistols are hardened and heat-treated for consistent operation in competitive and tactical use. Available in blue or stainless steel. Stainless models have a unique copper color from the heat-treating process. Leave as is or off for a more traditional look.

# Safety Instruction Guide for 1911 70 Series Extractor

## Introduction

Thank you for choosing the 1911 70 Series Extractor. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your extractor. Please read through this document carefully.

## General Safety Guidelines

- Always handle firearms with care and ensure they are unloaded when installing or maintaining the extractor.
- Ensure you are familiar with your firearm's operation and safety features.
- Store the extractor and any firearm components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the extractor for wear or damage. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and use.

## Specific Safety Precautions for Use

- Only use the extractor with compatible 70 series 1911 pistols (Government, Commander, Officers models).
- Ensure that the extractor is properly installed before firing the firearm.
- Use only .45 ACP ammunition to avoid malfunctions or damage.
- If you experience any issues during operation, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the slide from the frame of the 1911 pistol.
- Locate the existing extractor and remove it carefully.
- Install the new extractor by following the reverse process of removal. Ensure it is seated correctly in the slide.
- Reassemble the slide onto the frame and perform a function check to ensure proper operation.

### 2. Usage:

- Always perform a function check after installation.
- Use the extractor only in conjunction with a properly maintained firearm.
- Keep your firearm clean and welllubricated for optimal performance.

## Disposal Instructions

- Dispose of the extractor in accordance with local regulations regarding metal waste.
- Do not dispose of the extractor in regular household trash.
- If the extractor is damaged beyond repair, consider recycling it at a designated metal recycling facility.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 70 Series Extractor, please consult your local firearm dealer or a qualified gunsmith. Always ensure you are operating within the legal framework of your jurisdiction.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your 1911 70 Series Extractor. Thank you for prioritizing safety in your firearm practices.
