AR15 Charging Handle Latch Spring Safety Instructions

Introduction

Thank you for choosing the AR15 Charging Handle Latch Spring from Brownells. This product is designed to enhance the performance of your AR15 rifle by ensuring reliable operation. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the rifle is unloaded before performing any maintenance or installation.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the charging handle latch spring for wear or damage before use.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with compatible AR15 models to avoid malfunction.
- Avoid using the rifle in extreme weather conditions that may affect performance.
- Wear appropriate safety gear, including eye protection, when operating the rifle.
- Ensure that all components of the rifle are properly maintained to prevent accidents.
- If you experience any malfunctions during use, cease operation immediately and inspect the rifle.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the rifle is unloaded and in a safe position.
2. **Remove Old Spring:** Carefully remove the old charging handle latch spring from the rifle.
3. **Install New Spring:**
 - Align the new charging handle latch spring with the latch mechanism.
 - Gently press the spring into place until it is securely seated.
4. **Check Functionality:** Test the charging handle to ensure it operates smoothly with the new spring.

Usage

- After installation, ensure that the charging handle functions correctly before using the rifle.
- Regularly check the charging handle latch spring for signs of wear or damage.
- Replace the spring if it appears to be damaged or is not functioning properly.

Disposal Instructions

- Dispose of the old charging handle latch spring in accordance with local regulations.
- Do not dispose of springs in regular household waste. Check for recycling options or hazardous waste disposal programs in your area.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for support resources.

By following these guidelines and instructions, you can ensure the safe and effective use of your AR15 Charging Handle Latch Spring. Thank you for prioritizing safety and compliance with EU regulations.
