# AR15/M16 Bolt Catch Springs Safety Instruction Guide

## Introduction

Thank you for purchasing the AR15/M16 Bolt Catch Springs from Brownells. These highquality replacement springs are designed to enhance the performance of your firearm. This safety instruction guide provides essential information to ensure the safe use and handling of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Ensure that the springs are compatible with your specific AR15 model before installation.
- Regularly inspect the springs for wear and replace them as necessary.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not modify or alter the springs in any way.
- Use only the recommended tools for installation to avoid damaging the product.
- Ensure that the firearm is unloaded before installing or replacing the springs.
- Wear safety glasses during installation to protect your eyes from potential debris.
- If you experience any difficulties during installation, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather the necessary tools: a screwdriver, a punch tool, and safety glasses.
- Ensure that the firearm is completely unloaded and in a safe environment.

### 2. Installation Steps:

- Remove the existing bolt catch spring from the firearm:
  - Use the punch tool to carefully push out the retaining pin.
  - Remove the old spring and bolt catch.
- Install the new bolt catch spring:
  - Place the new spring in the designated area.
  - Reinsert the bolt catch and align it properly.
  - Use the punch tool to reinsert the retaining pin securely.

### 3. PostInstallation Check:

- After installation, check the functionality of the bolt catch.
- Ensure that the spring is seated correctly and operates smoothly.

### 4. Usage:

- Regularly test the functionality of the bolt catch during practice sessions.
- Monitor the condition of the springs and replace them if any signs of wear or damage are

observed.

## **Disposal Instructions**

- Dispose of old springs and any packaging materials in accordance with local regulations.
- Do not dispose of the springs in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries regarding safety or product functionality, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for choosing Brownells. We appreciate your commitment to safety and responsible firearm ownership.
