

# AR-15 CTR STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

## AR-15 CTR MIL-SPEC COLLAPSIBLE STOCK ASSEMBLY BLACK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Brownells offers this kit that contains both the Magpul CTR buttstock and all mounting hardware needed for an easy installation. Includes CTR buttstock, Mil-Spec buffer tube, carbine buffer, chrome silicon recoil spring, receiver end plate and castle nut. Features a friction locking mechanism that eliminates movement between the buffer tube and buttstock for a solid "feel" when mounting rifle to shoulder. Heavy duty, spring-loaded hand lever allows fast length-of-pull adjustments. Nylon polymer body provides maximum impact and heat resistance, with molded-in reinforcements at stress points. Accepts a variety of ambidextrous sling attachment options, including web slings and single-point, push-button sling mounts. Comb contour is wider than standard issue M4 stock to help shooter maintain a solid cheekweld. Synthetic rubber buttpad increases comfort and helps prevent slippage. Fits buffer tubes that accept both four- and six-position collapsible stocks. Available in Black, Dark Earth, Gray and O.D. Green, so you can match the color of your stock to your tactical rifle's color scheme. Mil-Spec fits smaller 1.14" O.D. buffer tubes on Colt-manufactured M4 and similar mil-spec carbines.

### Attributes

- Name: [BROWNELLS AR-15 CTR MIL-SPEC COLLAPSIBLE STOCK ASSEMBLY BLACK](#)
- Manufacturer: [BROWNELLS](#)

# Consumer Safety Instructions for AR15 CTR Stock Assembly

## Introduction

Thank you for choosing the AR15 CTR Stock Assembly. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's recommendations.
- Always handle firearms and related accessories responsibly and safely.
- Inspect the stock assembly for any signs of damage or wear before use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the stock assembly.
- Use only compatible buffer tubes designed for the AR15 platform.
- Avoid using the stock assembly in extreme temperatures or conditions that may compromise its integrity.
- Do not attempt to modify the stock assembly as this may lead to unsafe conditions.
- Ensure that all mounting hardware is securely fastened before use.
- Be aware of your surroundings when handling the firearm with the stock assembly attached.

## Instructions for Installation and Usage

### 1. Installation

- Gather all components included in the kit: CTR buttstock, MilSpec buffer tube, carbine buffer, chrome silicon recoil spring, receiver end plate, and castle nut.
- Ensure you have the necessary tools for installation, such as a wrench or screwdriver.
- Follow these steps to install:
  - Remove the existing stock if applicable.
  - Attach the MilSpec buffer tube to the receiver, ensuring it is securely fastened.
  - Install the carbine buffer and recoil spring into the buffer tube.
  - Attach the receiver end plate and castle nut, ensuring they are tightened properly.
  - Slide the CTR buttstock onto the buffer tube and ensure it locks into place.
  - Adjust the length of pull using the hand lever for a comfortable fit.

### 2. Usage

- When using the firearm, ensure that the stock is properly adjusted for your shoulder position.
- Utilize the friction locking mechanism to eliminate any movement between the buffer tube and the buttstock.
- Regularly check the tightness of all components to ensure they remain secure during use.
- If you experience any issues with the stock assembly, cease use immediately and consult a professional.

## **Disposal Instructions**

- Dispose of the stock assembly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible, especially plastic and metal parts.

## **Contact Information for Further Support**

For any inquiries or support regarding the AR15 CTR Stock Assembly, please consult your local dealer or the manufacturer's website for further assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority.
