

## AR-15 STR STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

## AR-15 STR STOCK ASSY COLLAPSIBLE MIL-SPEC FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

An enhanced version of the Magpul CTR® stock, the STR ("Storage/Type Restricted") buttstock features two 4 $\frac{1}{4}$ " left- and right-side positioned battery storage tubes and a wider cheekweld for extra comfort. Rubber caps at the rear keep the storage compartments resistant to water incursion, yet pop off easily for access to two AA or two CR-123 batteries inside. Features two integral 1 $\frac{1}{4}$ " sling loops and a socket for a pushbutton QD sling swivel on each side of the stock. Friction locking mechanism minimizes wobble between the buffer tube and the buttstock for a solid, secure "feel", which is enhanced by the detachable .30" thick rubber rubber that adds plenty of "grab" to prevent shoulder slippage. The STR Buttstock Kit includes the following items: Mil-Spec buffer tube Carbine buffer Chrome Silicone recoil spring Receiver end plate Receiver extension castle nut

### Attributes

- Name: [BROWNELLS AR-15 STR STOCK ASSY COLLAPSIBLE MIL-SPEC FDE](#)
- Manufacturer: [BROWNELLS](#)

# AR15 STR Stock Assembly Safety Instructions

## Introduction

Thank you for choosing the AR15 STR Stock Assembly. This guide provides essential safety information and instructions for proper installation and use to ensure your safety and the safety of others. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is used only as intended and in accordance with these instructions.
- Always inspect the stock assembly for any signs of damage or wear before use.
- Keep the product out of reach of children and unauthorized users.
- Do not modify the stock assembly in any way as this may compromise safety and performance.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunction or injury.
- The stock assembly is designed for use with AR15 rifles only. Using it with other firearms may cause safety issues.

### • Avoiding Hazards:

- Always ensure the firearm is unloaded before installing or adjusting the stock assembly.
- Use only compatible components as specified in the product specifications.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm equipped with the stock assembly.

### • Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18. Ensure that any users are of legal age and have appropriate training.

## Instructions for Installation and Usage

### • Installation Steps:

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing stock from the buffer tube by loosening the castle nut.
3. Slide the AR15 STR Stock Assembly onto the buffer tube.
4. Secure the stock assembly by tightening the castle nut until snug. Do not overtighten.
5. Verify that the stock is securely attached and does not wobble.

### • Usage Instructions:

- Adjust the length of pull (LOP) to suit your comfort by using the adjustment mechanism.
- Utilize the integrated sling loops for attaching a sling if desired.
- Store batteries in the storage compartments as needed, ensuring they are properly secured.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the stock assembly in regular household waste. Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the contact details provided with your product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 STR Stock Assembly. Thank you for your attention to safety.
