

AR-15 STR STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

AR-15 STR STOCK ASSY COLLAPSIBLE MIL-SPEC ODG

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

An enhanced version of the Magpul CTR® stock, the STR ("Storage/Type Restricted") buttstock features two 4 $\frac{1}{4}$ " left- and right-side positioned battery storage tubes and a wider cheekweld for extra comfort. Rubber caps at the rear keep the storage compartments resistant to water incursion, yet pop off easily for access to two AA or two CR-123 batteries inside. Features two integral 1 $\frac{1}{4}$ " sling loops and a socket for a pushbutton QD sling swivel on each side of the stock. Friction locking mechanism minimizes wobble between the buffer tube and the buttstock for a solid, secure "feel", which is enhanced by the detachable .30" thick rubber rubber that adds plenty of "grab" to prevent shoulder slippage. The STR Buttstock Kit includes the following items: Mil-Spec buffer tube Carbine buffer Chrome Silicone recoil spring Receiver end plate Receiver extension castle nut

Attributes

- Name: [BROWNELLS AR-15 STR STOCK ASSY COLLAPSIBLE MIL-SPEC ODG](#)
- Manufacturer: [BROWNELLS](#)

Safety Instruction Guide for AR15 STR Stock Assembly Collapsible MilSpec

Introduction

Thank you for choosing the AR15 STR Stock Assembly Collapsible MilSpec. This guide provides essential safety instructions to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a buttstock for AR15 rifles.
- Always handle firearms with care and respect, following all relevant safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before use.
- Do not modify or alter the product in any way, as this may compromise safety.
- If you experience any issues or concerns with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Battery Storage:** The stock features compartments for battery storage. Ensure that the caps are securely fastened to prevent water incursion.
- **Sling Attachment:** Use only compatible slings with the provided sling loops and QD sling swivel socket to avoid accidents.
- **Friction Lock Mechanism:** Regularly check the friction locking mechanism for proper function to minimize wobble and ensure stability.
- **Weight Consideration:** Be aware of the stock's weight (12.5 oz or 354g) when handling the firearm to ensure proper balance and control.
- **Environmental Considerations:** Avoid exposing the product to extreme temperatures or harsh chemicals that may affect its integrity.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe before beginning installation.
- Remove the existing stock from the buffer tube by following the manufacturer's instructions.
- Align the AR15 STR Stock Assembly with the buffer tube and slide it into place.
- Secure the stock using the included MilSpec buffer tube, carbine buffer, and castle nut.
- Verify that the stock is properly secured and locked in place.

2. Usage:

- Adjust the length of pull (LOP) as needed within the range of 3 1/4" (8.3cm) for comfortable shooting.
- Ensure that the cheek weld is positioned properly for optimal comfort and aim.
- Regularly check the stock for tightness and stability during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and electronic waste.
- Do not burn the product, as it may release harmful substances into the environment.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the AR15 STR Stock Assembly Collapsible MilSpec, please consult the retailer or manufacturer from whom you purchased the product. Ensure you have your purchase details available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15 STR Stock Assembly. Thank you for your attention to safety.
