

AR-15 ACS-L STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

AR-15 ACS-L MIL-SPEC COLLAPSIBLE STOCK ASSEMBLY O.D. GREEN

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The Adaptable Carbine Stock-Light (ACS-L) is a slimmed-down, lightweight, version of Magpul's popular ACS stock. The ACS-L provides extra maneuverability by eliminating the ACS's side storage compartments, while retaining the wide, sloping top for a secure, comfortable cheekweld. Also retained is the storage compartment in the tail of the stock, and the friction locking system that prevents unwanted wobble after extending the stock. Includes a reversible socket for QD pushbutton sling swivels and a 1" sling loop molded in the toe of the stock. The .3" thick rubber recoil pad can be replaced by Magpul Tactical Recoil Pads (sold separately). The ACS-L Buttstock Kit includes the following items: Mil-Spec buffer tube Carbine buffer Chrome Silicone recoil spring Receiver end plate Receiver extension castle nut

Safety Instruction Guide for AR15 ACSL Stock Assy Collapsible MilSpec

Introduction

Thank you for choosing the AR15 ACSL Stock Assy Collapsible MilSpec. This guide provides essential safety information and instructions to ensure the safe use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the stock is compatible with your AR15 platform before installation.
- Always handle firearms with care and follow all local laws and regulations.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the stock.
- Ensure that the stock is fully extended or retracted before using the firearm.
- Avoid using the stock with any modifications that are not approved by the manufacturer.
- Always wear appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a clear and safe shooting environment.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** Ensure you have the necessary tools, including a wrench for the castle nut and any other tools specified in the installation instructions.
2. **Remove Existing Stock:** If applicable, remove the existing stock from your AR15 by unscrewing the castle nut and sliding off the stock.
3. **Install the Buffer Tube:** Attach the MilSpec buffer tube to the receiver and secure it with the receiver extension castle nut.
4. **Attach the ACSL Stock:** Slide the ACSL stock onto the buffer tube until it clicks into place.
5. **Secure the Stock:** Ensure that the stock is securely locked in position to prevent any movement during use.

Usage

- Adjust the length of pull as needed by pressing the release button and sliding the stock to the desired position.
- Utilize the friction locking system to prevent unwanted wobble after adjusting the stock.
- Use the integrated storage compartment for small items, ensuring it is closed securely during use.

Disposal Instructions

- Dispose of the stock in accordance with local regulations for plastic and polymer materials.
- Do not incinerate or expose the stock to extreme heat, as it may release harmful substances.
- If the stock is damaged or no longer usable, consider recycling options available in your area.

Contact Information for Further Support

For any questions regarding the safety and use of your AR15 ACSL Stock Assy Collapsible MilSpec, please refer to the manufacturer's website or customer service for further assistance.

Please ensure to keep this guide for future reference and share it with anyone who may use the product. Your safety is our priority.
