# AR15 Carbine Buffer Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 Carbine Buffer by BROWNELLS. This product is designed to enhance the performance of your AR15 build. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle the AR15 Carbine Buffer with care.
- Ensure that the buffer is compatible with your AR15 model before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the buffer for any signs of damage or wear.
- If you suspect any issues with the buffer, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limits for the buffer.
- Ensure that the buffer is properly secured in place before use.
- Avoid using the buffer in conditions that may cause excessive heat or moisture.
- Always wear appropriate safety gear, such as eye protection, when handling your AR15.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and the safety is engaged before beginning installation.
- Remove the existing buffer from the buffer tube.
- Insert the AR15 Carbine Buffer into the buffer tube, ensuring it is seated properly.
- Reassemble any components that were removed during the installation process.
- Perform a function check to ensure proper operation.

### 2. Usage:

- Follow the manufacturer's guidelines for your specific AR15 model.
- Regularly clean and maintain the buffer to ensure optimal performance.
- Monitor the buffer for any signs of wear or damage during regular use.

## Disposal Instructions

- Dispose of the AR15 Carbine Buffer in accordance with local regulations.
- Do not dispose of the buffer in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the designated EU contact point associated with this product.
