

# AR-15 RETRO HANDGUARD SETS - BROWNELLS AR-15 MODEL 601/M16A1 HANDGUARD SET GREEN

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Recreate an American Classic with the Brownells M16A1 Handguard Set, built to accurately replicate the original handguards issued to thousands of American servicemen & women. This Handguard Set is modeled directly off of original handguards, which are becoming increasingly difficult to find, or in decent condition. Left and Right Handguard halves include aluminum heatshields, protecting your hand and the handguards from barrel heat. Combine the Handguard Set with the matching Pistol Grip & Buttstock Assembly from Brownells, and you have a new condition furniture set for your AR-15, M16, M16A1 or other early model rifle. Handguards include instructions and heatshields. Available in several different colors including: Black - Proper for Model 602, XM16E1, M16A1 & later generation rifles introduced after 1963 Green - Proper for early Model 601 rifles, the first AR-15 adopted by the US Air Force in 1959 Brown - Similar to the earliest AR-15 Prototype rifle furniture used in the late 1950s Retro furniture from Brownells is not an exact copy of original components or their construction. Some areas have been changed due to manufacturing methods or to avoid counterfeit concerns.

# Safety Instruction Guide for AR15 Retro Handguard Sets

## Introduction

Thank you for purchasing the AR15 Retro Handguard Sets by Brownells. This guide provides essential safety instructions to ensure the safe use of your product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the handguard set.
- Inspect the handguard set for any visible damage before use. If damaged, do not use the product.
- Ensure that all components are compatible with your specific model of firearm.
- Keep the handguard set out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe product conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Heat Protection:** The handguards are equipped with aluminum heatshields to protect your hands from barrel heat. Always allow the barrel to cool before handling.
- **Installation Caution:** Improper installation may lead to malfunctions or safety hazards. Follow the installation instructions closely.
- **Vulnerable Groups:** Ensure that children and inexperienced users do not handle the firearm when the handguard set is installed.
- **Material Safety:** The handguard set is made from polymer. Avoid exposure to high temperatures that may deform the material.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Remove the existing handguards from your firearm according to the manufacturer's instructions.
- Align the new handguard halves with the mounting points on your firearm.
- Press the handguard halves into place until they are securely fitted.
- Ensure that the aluminum heatshields are properly positioned to protect your hands from heat.

### 3. Usage:

- Once installed, ensure the handguard set is secure before using your firearm.
- Regularly check the handguard set for any signs of wear or damage during use.

### 4. PostUse Care:

- Clean the handguard set with a damp cloth and mild soap after use.
- Avoid using harsh chemicals that may damage the polymer material.

## Disposal Instructions

- Dispose of the handguard set in accordance with local regulations for plastic materials.
- Do not incinerate the product, as it may release harmful substances.
- If the product is damaged beyond use, contact local waste management for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or further support regarding the AR15 Retro Handguard Sets, please consult the manufacturer or your local firearm dealer for assistance.

Thank you for your attention to these safety instructions. Enjoy your new handguard set responsibly and safely.
