

AR-15 RETRO HANDGUARD SETS - BROWNELLS AR-15 MODEL 601/M16A1 HANDGUARD SET BROWN

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

Recreate an American Classic with the Brownells M16A1 Handguard Set, built to accurately replicate the original handguards issued to thousands of American servicemen & women. This Handguard Set is modeled directly off of original handguards, which are becoming increasingly difficult to find, or in decent condition. Left and Right Handguard halves include aluminum heatshields, protecting your hand and the handguards from barrel heat. Combine the Handguard Set with the matching Pistol Grip & Buttstock Assembly from Brownells, and you have a new condition furniture set for your AR-15, M16, M16A1 or other early model rifle. Handguards include instructions and heatshields. Available in several different colors including: Black - Proper for Model 602, XM16E1, M16A1 & later generation rifles introduced after 1963 Green - Proper for early Model 601 rifles, the first AR-15 adopted by the US Air Force in 1959 Brown - Similar to the earliest AR-15 Prototype rifle furniture used in the late 1950s Retro furniture from Brownells is not an exact copy of original components or their construction. Some areas have been changed due to manufacturing methods or to avoid counterfeit concerns.

Consumer Safety Instruction Guide for AR15 Retro Handguard Sets

Introduction

Thank you for choosing the AR15 Retro Handguard Sets from Brownells. This product is designed to enhance your rifle with a classic look while ensuring safety and functionality. This guide provides essential safety instructions and information to help you use the product correctly and safely.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the handguard sets are compatible with your specific model of AR15 or similar rifles.
- Inspect the product for any damage or defects before installation and use.
- Keep the product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Heat Protection:** The handguard sets include aluminum heat shields. Ensure that you do not touch the handguards immediately after firing, as they may become hot.
- **Secure Installation:** Ensure that the handguards are securely installed to prevent any movement during use, which could lead to accidents.
- **Regular Maintenance:** Periodically check the handguard sets for wear and tear, and replace them if necessary.
- **Proper Handling:** Always handle your firearm safely and responsibly. Treat every firearm as if it is loaded.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to own firearms. Ensure compliance with local age regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.
- Work in a clean, welllit area to avoid losing small parts.

2. Installation:

- Remove the existing handguards from your rifle according to the manufacturer's instructions.
- Align the new Brownells handguard halves with the mounting points on your rifle.
- Securely attach the left and right handguard halves, ensuring they are firmly in place.
- Install the aluminum heat shields as indicated in the included instructions.

3. Usage:

- Once installed, ensure that the handguards are properly fitted and secure before using the rifle.
- After each use, inspect the handguards for any signs of damage or looseness.

Disposal Instructions

- Dispose of any damaged or unusable handguard sets in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains any hazardous materials. Check with local authorities for proper disposal methods.
