# Safety Instruction Guide for AR15 Charging Handle Latch Spring

## Introduction

Thank you for purchasing the AR15 Charging Handle Latch Spring manufactured by BROWNELLS. This product is designed to enhance the performance of your AR15 rifle. Please read this safety instruction guide carefully to ensure safe use and compliance with EU General Product Safety Regulations (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear and damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use this charging handle latch spring with AR15 rifles.
- Do not attempt to modify or alter the spring in any way.
- Ensure that the rifle is unloaded before installing or replacing the spring.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Handle the rifle with care to avoid accidental discharge.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation (e.g., screwdriver, pliers).
- Ensure that the work area is clean and free of obstructions.

### 2. Installation Steps

- Make sure the rifle is unloaded and pointed in a safe direction.
- Remove the existing charging handle latch spring from the rifle.
- Carefully install the new AR15 Charging Handle Latch Spring by following these steps:
  - Align the spring with the latch mechanism.
  - Press the spring into place until it is securely seated.
- Reassemble the charging handle and ensure it functions correctly.

### 3. PostInstallation Check

- Test the charging handle to ensure it operates smoothly.
- Inspect the installation to confirm that the spring is properly seated and secure.

## Disposal Instructions

- Dispose of the old charging handle latch spring in accordance with local regulations.
- Do not dispose of the spring in regular household waste if it contains hazardous materials.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product concerns, please consult the appropriate EUbased contact point or resources available through the EU's Safety Gate platform.

Thank you for prioritizing safety and compliance while using the AR15 Charging Handle Latch Spring. Your attention to these guidelines helps ensure a safe and enjoyable experience with your firearm.
