AR15 Trigger Springs Safety Instruction Guide

Introduction

Thank you for choosing the AR15 Trigger Springs from Brownells. This guide provides essential safety instructions and information to ensure the safe use and installation of your trigger springs. Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle firearms and related components with care and responsibility.
- Ensure that the firearm is unloaded before attempting any maintenance or modifications.
- Follow all local laws and regulations regarding firearms and their components.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any visible damage or defects before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the AR15 Trigger Springs with compatible AR15 models.
- Ensure that you are familiar with the operation and maintenance of your AR15 firearm.
- Wear appropriate safety gear, including eye protection, when handling and installing the trigger springs.
- Avoid using excessive force during installation to prevent damage to the springs or the firearm.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and the safety is engaged.
- Gather necessary tools, including a punch tool and a small hammer.

2. Removing the Old Trigger Springs:

- Carefully disassemble the trigger assembly according to the manufacturer's instructions.
- Use the punch tool to gently remove the old trigger springs from their positions.

3. Installing the New Trigger Springs:

- Align the new trigger springs with their designated positions in the trigger assembly.
- Use the punch tool to securely install the new springs, ensuring they are seated properly.
- Reassemble the trigger assembly according to the manufacturer's instructions.

4. Testing:

- After installation, perform a function check to ensure the trigger operates smoothly and safely.
- Confirm that the firearm is still functioning correctly and that there are no malfunctions.

5. Final Inspection:

- Inspect the installation to ensure that all components are secure and properly aligned.
- Store the firearm in a safe location when not in use.

Disposal Instructions

- Dispose of any old or damaged trigger springs in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling materials where possible.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please refer to your local firearms authority or a qualified gunsmith.

Thank you for ensuring the safe use of your AR15 Trigger Springs. Your commitment to safety is essential for responsible firearm ownership.
