

ALIGNMENT & PUSH PUNCHES - BROWNEllS ALIGNMENT & PUSH PUNCH, SET OF 4, STEEL

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

Use To Align Parts, Start Pins, Assembly/Dissassembly

ALIGNMENT & PUSH PUNCHES The Brownells Alignment & Push Punches are meticulously designed tools aimed at simplifying the alignment of parts and the installation or removal of pins in various firearms, including AR-15s, shotguns, bolt-action rifles, and more. These punches are essential for both professional gunsmiths and firearm enthusiasts, facilitating efficient assembly and disassembly processes. **Description and Features:** Precision Alignment: Each punch features a slightly undersized shank, providing a close fit that prevents binding within pin holes. A slight taper extending $\frac{3}{4}$ " from the end is particularly useful for parts requiring repeated assembly and disassembly, ensuring precise alignment every time. **Ergonomic Handle:** Equipped with a large, easy-to-grasp handle, these punches offer excellent control during use, enhancing user comfort and efficiency. The design also prevents the punches from rolling off the workbench, keeping them within easy reach. **Versatile Application:** Available in four sizes, these punches are suitable for the majority of pins found on firearms such as the AR-15, 1911 Auto, Remington 870, and Ruger revolvers, making them versatile tools for various gunsmithing tasks. **Available Sizes:** .092" (2.3mm) .120" (3.0mm) .150" (3.8mm) .180" (4.6mm) These sizes are designed to accommodate a wide range of pin dimensions commonly encountered in firearm maintenance and assembly. **Specifications:** **Material:** High-quality steel or brass construction for durability and longevity. **Handle Design:** Large, ergonomically designed handle for superior grip and control. **Shank:** Slightly undersized with a $\frac{3}{4}$ " taper from the end to facilitate easy alignment and prevent binding. **Delrin Bench Block:** **Material:** Delrin (tan color) **Dimensions:** 6.38" (16 cm) long, 3" (7.6 cm) wide, 0.5" (1.9 cm) high **Capacity:** Holds 8 punches **Customer Insights:** Our customers report that the Brownells Alignment & Push Punches significantly reduce the frustration associated with aligning parts and assemblies during firearm maintenance. The ergonomic handle provides excellent control, and the precise shank design ensures a close fit without binding, making these punches indispensable tools for both assembly and disassembly tasks. Incorporating the Brownells Alignment & Push Punches into your gunsmithing toolkit ensures you have the precision instruments necessary for efficient and accurate firearm maintenance, enhancing both the quality and ease of your work.

Safety Instructions for the Alignment & Push Punches Brownells Set of Four Steel Punches

Introduction

Thank you for choosing the Alignment & Push Punches Brownells Set of Four Steel Punches. This product is designed for both professional and home gunsmiths to facilitate the alignment of parts and assemblies. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the punches in accordance with the intended purpose.
- Keep the punches out of reach of children and unauthorized users.
- Inspect the punches for damage before each use. Do not use damaged punches.
- Store the punches in the provided Delrin bench block to prevent loss and ensure safety.
- Report any unsafe products or accidents to local authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the punches only on materials that are compatible with the steel and brass materials.
- Avoid using excessive force when aligning parts to prevent injury or damage.
- Ensure that your hands and work area are clean and dry to prevent slips.
- Wear appropriate safety gear, such as safety glasses and gloves, when using the punches.
- Do not use the punches for any purpose other than their intended use.
- Be cautious of sharp edges and points when handling the punches.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure your work area is clean, welllit, and organized.

2. Using the Punches:

- Select the appropriate punch size for the pin you are working with.
- Hold the punch firmly by the handle, ensuring a good grip.
- Align the punch with the hole or pin you wish to start.
- Apply gentle pressure to start the pin. If resistance is felt, do not force the punch; instead, check for misalignment or debris.
- Once the pin is started, you may proceed with further assembly or disassembly as needed.

3. PostUse Care:

- After use, clean the punches to remove any debris or residue.
- Store the punches in the Delrin bench block to keep them organized and protected.
- Inspect the punches regularly for wear and tear.

Disposal Instructions

- Dispose of any damaged or worn punches in accordance with local regulations.
- Do not dispose of the punches in regular household waste if they are considered hazardous.

- Consider recycling options for the steel and brass materials if applicable.
