

# HAMMER/SEAR BLOCK PINS - 10/22® HAMMER PIN FOR BROWNELLS HAMMER/SEAR PIN BLOCK

[Rifle Parts](#) > [Triggers Parts](#) > [Hammer Parts](#) > [Hammer Pins](#)

## Allows Visual Inspection Of Hammer & Sear Engagement

For use with the Brownells Hammer/Sear Block, the machined steel block allows you to mate the hammer and sear (or trigger) outside of the firearm for a clear, unobstructed view of the critical point of engagement. These hammer and sear pins are sized for various handguns and rifles. Allen screw locks the pin setting so hammer and sear can be dropped in place relative to their actual position in the firearm. Great for cutting the engagement surfaces on new parts or fine-tuning the factory ones. Pins are individually numbered for proper identification.

10/22 Hammer Pin for Brownells Hammer/Sear Pin Block

# Safety Instruction Guide for HAMMER/SEAR BLOCK PINS 10/22® HAMMER PIN

## Introduction

Thank you for choosing the HAMMER/SEAR BLOCK PINS 10/22® HAMMER PIN for your firearm needs. This product is designed to enhance the performance and safety of your Ruger 10/22. Please read this safety instruction guide carefully to ensure safe installation and usage. Your safety is our priority.

## General Safety Guidelines

- Always handle firearms with care and ensure they are pointed in a safe direction.
- Keep this product out of reach of children and unauthorized users.
- Ensure that you are familiar with the operation of your firearm before using this product.
- Regularly check for any recalls or safety updates on the EU Safety Gate platform.
- Report any unsafe conditions or accidents involving this product to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or replacing any components.
- Wear appropriate safety gear, including eye protection, during installation and use.
- Do not use this product if it appears damaged or defective.
- Only use this product in conjunction with compatible Ruger 10/22 firearms.
- Follow all local laws and regulations regarding firearm modifications.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a punch tool and hammer.

#### 2. Remove Existing Pins:

- Use the punch tool to carefully drive out the existing hammer and sear pins from the firearm.

#### 3. Install Hammer Pin:

- Align the new HAMMER PIN with the hammer assembly.
- Gently tap the pin into place using the hammer, ensuring it is securely seated.

#### 4. Install Sear Pin:

- Align the sear pin with the sear assembly.
- Gently tap the pin into place using the hammer, ensuring it is securely seated.

#### 5. Final Check:

- Inspect the installation to ensure that both pins are properly secured and that there are no obstructions.
- Perform a function check on the firearm to ensure proper operation.

## **Usage Instructions**

- Always follow the manufacturer's guidelines for operating your Ruger 10/22.
- Regularly inspect the installed pins for wear or damage.
- If any issues arise during operation, cease use immediately and consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of any damaged or unused components in accordance with local regulations.
- Ensure that all firearm components are disposed of in a safe manner to prevent unauthorized access.

## **Contact Information for Further Support**

For any questions or concerns regarding the HAMMER/SEAR BLOCK PINS 10/22® HAMMER PIN, please refer to the manufacturer's website or contact their customer service department for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you help ensure a safe and enjoyable experience with your firearm.
