REMINGTON 1100/1187 INTERCEPTOR LATCH RETAINER Safety Instruction Guide

Introduction

Thank you for choosing the Remington 1100/1187 Interceptor Latch Retainer. This product is designed to enhance the performance of your firearm by reducing play in the latch body, thus improving feeding and ensuring positive operation. It is available in three different thicknesses: .025", .030", and .035". Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always handle firearms with care and treat them as if they are loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep the firearm out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Follow all local laws and regulations regarding firearm use and maintenance.

Specific Safety Precautions for Use

- Ensure that the latch retainer is compatible with your specific model (Remington 1187 or 1100) before installation.
- Do not exceed the recommended thickness for your firearm model.
- Avoid using excessive force during installation to prevent damage to the latch body or retainer.
- If you experience any difficulty during installation or operation, consult a qualified gunsmith.
- Store the latch retainer in a dry, cool place to prevent corrosion.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools: a screwdriver and any additional tools required for your specific firearm model.
- Ensure your firearm is unloaded and pointed in a safe direction.

2. Installation Steps

- Remove the existing latch body from your firearm.
- Clean the area where the latch body will be installed to ensure proper fit.
- Select the appropriate thickness of the latch retainer (.025", .030", or .035").
- Carefully install the latch retainer into the latch body, ensuring it fits snugly without excessive force.
- Reattach the latch body to the firearm, ensuring all components are secure.

3. PostInstallation Check

- Check the latch operation to ensure smooth functionality.
- Test the firearm in a safe environment to ensure proper feeding and operation.

Disposal Instructions

- Dispose of any old or damaged components in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.

- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Remington 1100/1187 Interceptor Latch Retainer, please refer to the manufacturer's contact information provided with your product or on their official website.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the Remington 1100/1187 Interceptor Latch Retainer. Always prioritize safety and compliance with local laws when handling firearms. Thank you for your attention to these important guidelines.
