# REMINGTON 1100/1187 INTERCEPTOR LATCH RETAINER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the REMINGTON 1100/1187 INTERCEPTOR LATCH RETAINER. This product is designed to enhance the performance of your firearm by reducing play in the latch body, thereby improving feeding and ensuring positive operation. Please read this safety instruction guide carefully to ensure safe and proper use.

## General Safety Guidelines

- Always treat firearms as if they are loaded.
- Ensure that the firearm is pointed in a safe direction during installation or adjustment.
- Keep the work area clean and free from distractions.
- Use appropriate personal protective equipment (PPE) such as safety glasses when handling tools.
- Store this product and all firearm accessories out of reach of children and unauthorized users.
- Regularly check for product recalls and safety updates on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the product is compatible with your firearm model (Remington 1187 or 1100).
- Verify that the thickness of the latch retainer (.025", .030", or .035") is suitable for your specific firearm needs.
- Do not modify the latch retainer or use it in a manner other than intended.
- If you experience any issues with the latch retainer, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe.
- Gather necessary tools (e.g., screwdriver, wrench) for installation.

### 2. Installation:

- Remove the existing latch retainer from the firearm.
- Carefully install the new REMINGTON 1100/1187 INTERCEPTOR LATCH RETAINER by aligning it with the latch body.
- Secure the retainer using the appropriate fasteners, ensuring a snug fit without overtightening.

### 3. Usage:

- Test the latch operation to ensure it functions smoothly.
- Regularly inspect the latch retainer for wear or damage.
- If any issues arise, consult a qualified gunsmith for assistance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Ensure that all components are safely discarded to prevent any accidental harm.

## **Contact Information for Further Support**

For any safety inquiries, product concerns, or additional information, please reach out to the appropriate EU contact point for your region.

By following these guidelines, you can ensure the safe and effective use of the REMINGTON 1100/1187 INTERCEPTOR LATCH RETAINER. Thank you for prioritizing safety.
