## Removes Base Pads Fast, Without Damage

Specialized pliers allow Glock owners to remove the base pad from factory magazines without gouging or cracking the plastic. Small crimping tips contact the magazine precisely above the locking tabs. Hardened, steel handles feature the correct geometric curvature to prevent over-compression of the magazine sidewalls. Once compressed, simply slide off the base pad. Rubber sleeves provide a positive grip. Wear eye protection when removing magazine base pads.

# MAGAZINE TOOL for GLOCK® Safety Instructions

## Introduction

Thank you for purchasing the MAGAZINE TOOL for GLOCK®. This specialized tool is designed to help Glock owners safely remove the base pad from factory magazines without damaging the plastic components. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always wear eye protection when using the MAGAZINE TOOL to prevent injury from potential debris.
- Ensure that the magazine is empty before attempting to remove the base pad.
- Keep the tool out of reach of children and vulnerable individuals to prevent accidents.
- Inspect the tool for any damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding the handling of firearms and magazines.

## Specific Safety Precautions for Use

- Use the tool only as intended. The MAGAZINE TOOL is specifically designed for Glock magazines.
- Do not apply excessive force when using the tool, as this may lead to injury or damage to the magazine.
- Ensure that your hands are dry and free from oils or lubricants to maintain a secure grip on the tool.
- Do not attempt to modify the MAGAZINE TOOL in any way, as this may compromise its safety and effectiveness.
- If you experience any difficulty while using the tool, stop immediately and refer to the instructions.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the magazine is completely unloaded and free of ammunition.
- Gather the MAGAZINE TOOL and ensure it is in good condition.

### 2. Using the MAGAZINE TOOL:

- Position the magazine so that the base pad is facing upward.
- Align the small crimping tips of the MAGAZINE TOOL directly above the locking tabs on the magazine.
- Gradually compress the magazine sides using the handles of the tool, applying even pressure.
- Once the locking tabs are disengaged, carefully slide off the base pad.
- To reattach the base pad, position it back onto the magazine and press until it clicks into place.

### 3. PostUse:

- Store the MAGAZINE TOOL in a safe and dry location, away from children and unauthorized users.
- Periodically check the tool for wear and replace it if necessary.

## Disposal Instructions

- Dispose of the MAGAZINE TOOL in accordance with local regulations for metal products.
- Do not dispose of the tool in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAGAZINE TOOL for GLOCK®, please refer to the manufacturer's contact details provided at the point of purchase. You can also check for product recalls or safety alerts on the EU Safety Gate platform.

By following these safety instructions, you can ensure that your experience with the MAGAZINE TOOL for GLOCK® is safe and effective. Thank you for prioritizing safety and responsible handling practices.
