AR-15/M16/M4 BUTTSTOCK TOOL - BROWNELLS BRN AR-15/M16/M4 BUTTSTOCK TOOL

Gunsmith Tools > Rifle Tools > Stock Tools

One Tool For Disassembling & Reassembling Buttstocks

Our handy, compact tool is uniquely designed to combine several tools into one. It has a spanner wrench that fits the receiver extension castle nut on M4-style collapsible buttstocks, with interchangeable pins to fit nuts with both old (round) and new (square) teeth, so you're ready for whatever type of nut is on the gun in front of you. Pins for both styles are included and easily changed by loosening a hex screw in the tool. For fixed rifle buttstocks, there's a screwdriver blade to remove the buttplate screws and a wrench for the nut on the receiver extension (buffer) tube. There's even a ½" square opening for a torque wrench, and even a hole for hanging the tool on your peg-board. Fits easily in a range bag or in your pocket for use outside the shop.

AR15/M16/M4 Buttstock Tool Safety Instructions

Introduction

Thank you for choosing the AR15/M16/M4 Buttstock Tool by Brownells. This guide provides essential safety instructions, usage recommendations, and disposal information to ensure your safe and effective use of this product. Please read this manual thoroughly before using the tool.

General Safety Guidelines

- **Product Safety**: This tool is designed for safe use with AR15, M16, and M4 buttstocks. Ensure you understand how to use it properly to avoid accidents.
- **Enhanced Recalls**: In the event of a product recall, you will be notified with clear instructions on how to return the product and receive a remedy.
- **Online Shopping**: If purchased online, you have the same safety protections as if you bought it in a physical store.
- **Special Consumer Focus**: This tool is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point**: For safety inquiries, ensure you have access to a local EUbased contact point.
- **Rapid Alerts**: Stay informed about any safety updates regarding this tool through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read the Manual**: Always read and understand the instruction manual before use.
- **Inspect the Tool**: Before each use, inspect the tool for any signs of damage or wear. Do not use if damaged.
- **Use as Intended**: Use the tool only for its intended purpose as described in this manual.
- **Avoid Force**: Do not use excessive force when using the tool. If a component does not fit or move easily, check for compatibility and alignment.
- **Wear Safety Gear**: Wear appropriate safety gear, including safety glasses and gloves, when using the tool.
- **Work in a Safe Environment**: Ensure your workspace is clean and welllit. Avoid distractions while using the tool.
- **Keep Away from Children**: Do not allow children or unauthorized individuals to use this tool.

Instructions for Installation and Usage

1. **Identifying Components**:

   - Familiarize yourself with the tool's components, including the spanner wrench, interchangeable pins, screwdriver blade, and wrench for the receiver extension tube.

2. **Using the Tool**:

   - **For M4Style Collapsible Buttstocks**:
     - Select the appropriate pin (old or new style) based on the nut type.
     - Insert the pin into the spanner wrench and fit it onto the receiver extension castle nut.
     - Turn the wrench to loosen or tighten the nut as required.
   - **For Fixed Rifle Buttstocks**:
     - Use the screwdriver blade to remove the buttplate screws.
     - Once the buttplate is removed, use the wrench to address the nut on the receiver extension tube.

3. **Using the Torque Wrench**:

- If required, use the ½" square opening to attach a torque wrench for precise tightening.

4. **Changing Pins**:

   - To change the pins, loosen the hex screw on the tool, replace the pin, and tighten the screw securely.

5. **Storage**:

   - After use, store the tool in a dry place. It can fit easily in a range bag or pocket for convenient transport.

Disposal Instructions

- **Environmental Considerations**: Dispose of the tool responsibly. Do not dispose of it in regular household waste.
- **Recycling**: If possible, recycle the tool according to local regulations for metal products.
- **Contact Local Authorities**: For specific disposal guidelines, contact your local waste management authorities.

Contact Information for Further Support

For any questions or support regarding the AR15/M16/M4 Buttstock Tool, please refer to the appropriate EUbased contact point available to you.
