

# LOWER RECEIVER PARTS KIT - COLT LOWER RECEIVER PARTS KIT

[Home](#)

## Genuine Colt Internal Parts To Complete A Stripped Lower Receiver

Convenient kit of genuine Colt factory parts includes all the small parts needed to finish a small-pin AR-15 lower receiver, and install the trigger group and pistol grip of your choice. Or, use the kit to rebuild the worn internals of an old rifle and restore it to like-new function and reliability. The single-manufacturer source—the company that developed the original AR-15/M16 platform and built them for the U.S. military—means the kit parts are designed to work together and will require minimal fitting. Also includes an Accu-Wedge, a high-density rubber insert that fills the space behind the takedown pin to prevent unwanted movement between the receiver halves. Helps the rifle shoot tight, consistent groups.

## Attributes

- Name: [COLT LOWER RECEIVER PARTS KIT](#)
- Manufacturer: [COLT](#)
- Product no.: 080000606
- Mfr. No.:
- Make: AR-15

# LOWER RECEIVER PARTS KIT COLT LOWER RECEIVER PARTS KIT Safety Instruction Guide

## Introduction

Thank you for choosing the LOWER RECEIVER PARTS KIT COLT LOWER RECEIVER PARTS KIT. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation or use.

## General Safety Guidelines

- Always handle all firearm components with care and respect.
- Ensure that you are of legal age to purchase and use firearm parts in your jurisdiction.
- Keep all components out of reach of children and unauthorized users.
- Inspect all parts for any damage or defects before installation.
- Follow all local laws and regulations related to firearm assembly and usage.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only genuine Colt parts for compatibility and safety.
- Ensure that the firearm is unloaded before beginning any installation or maintenance work.
- Wear appropriate safety gear, including eye protection, when working with firearm components.
- Do not use this kit for any purpose other than intended; misuse may lead to malfunction or injury.
- Avoid working in poorly lit or cluttered areas to prevent accidents.
- If you are unfamiliar with firearm assembly, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure all tools and parts are ready and within reach.
- Work in a clean, organized space to avoid losing small parts.

### 2. Disassembly of the Lower Receiver

- Remove the existing components from the lower receiver carefully.
- Keep track of all removed parts for proper reinstallation.

### 3. Installation of the Parts Kit

- Start by installing the bolt catch pin, bolt catch plunger, and bolt catch spring as per the kit instructions.
- Follow with the installation of the buffer retainer and buffer retainer spring.
- Install the selector lever, selector detent, and hammer/trigger pins (.154" O.D.).
- Proceed with the mag catch, mag release button, and associated springs.
- Install the pistol grip lock washer and screw, followed by the front pivot pin and rear takedown pin.
- Insert the takedown pin detents and springs.
- Finally, install the trigger guard and its pivot pin, bolt catch, ejector/selector spring, and the AccuWedge.

### 4. Final Checks

- Ensure all parts are securely installed and function as intended.
- Perform a function check to confirm that the trigger group operates correctly.
- If any issues are noted, consult a qualified gunsmith before using the firearm.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste regulations.
- If any parts are damaged beyond use, follow local guidelines for the disposal of firearm components.
- Ensure that all parts are rendered unusable before disposal to prevent unauthorized use.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please contact your local Colt representative or visit the official Colt website for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safe operation of your firearm are of utmost importance.
