

AR-15/M16 A2 RIFLE BUFFER TUBE ASSEMBLY - COLT BUTTSTOCK MOUNTING KIT, A2 RIFLE

[Rifle Parts](#) > [Receiver Parts](#) > [Buffer Tube Parts](#) > [Buffer Tubes](#)

Convenient kits contain all the components needed to securely mount the buttstock of your choice using original factory parts from the manufacturer of your receiver. Eliminates the hassle of tracking down every part and accidentally getting incorrect ones for your stock. Have everything you need to finish your build, so you won't be held up waiting for that one part you forgot to order. Each kit contains original factory parts; parts from one manufacturer will fit another manufacturer's receiver but may require minor fitting. Select the buttstock you want (available separately), then purchase the mounting kit for that type of stock. A2 Rifle kit is for mounting any fixed rifle buttstock based on the military M16A2 stock. Kit includes receiver extension tube, recoil buffer, buffer spring, buttstock spacer, and buttstock screw. COLT - From the original manufacturer of the M16 battle rifle. A1 Rifle, A2 Rifle, and Mil-Spec Carbine kits available. Carbine kit contains the four-position, Mil-Spec receiver extension used on the Colt M4 and Law Enforcement carbines.

Safety Instruction Guide for AR15/M16 A2 Rifle Buffer Tube Assembly Colt Buttstock Mounting Kit

Introduction

Thank you for purchasing the AR15/M16 A2 Rifle Buffer Tube Assembly Colt Buttstock Mounting Kit. This guide provides essential safety information and instructions to ensure the safe use and installation of your product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that you are of legal age to purchase and use firearm accessories in your jurisdiction.
- Always handle firearms and related components with care and responsibility.
- Store the kit and all related components in a secure location, away from children and unauthorized users.
- Inspect all parts of the kit for damage or wear before installation and use.
- If you are unsure about any aspect of installation or usage, consult a qualified gunsmith or firearms expert.
- Follow all local laws and regulations regarding the use and modification of firearms.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may result in malfunction or failure of the firearm.
- Failure to securely attach the buttstock may cause it to detach during use, leading to injury.
- Using incompatible parts can compromise safety and functionality.

• Avoiding Hazards:

- Always follow the manufacturer's instructions for installation and usage.
- Use only compatible parts that are specified for your firearm model.
- Ensure that all components are properly tightened and secured before use.
- Regularly check the assembly for signs of wear or damage.

• Audience Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that inexperienced users receive proper instruction on safe handling and installation.

Instructions for Installation and Usage

1. Preparation:

- Gather all tools and components included in the kit.
- Ensure your workspace is clean and well lit.

2. Installation Steps:

- Remove the existing buttstock (if applicable) from your firearm.
- Insert the receiver extension tube into the receiver of your firearm.
- Secure the recoil buffer and buffer spring inside the receiver extension tube.

- Attach the buttstock spacer to the rear of the receiver extension.
- Use the provided buttstock screw to secure the buttstock to the extension tube.
- Verify that all components are securely fastened and check for any movement.

3. Usage:

- After installation, conduct a function check to ensure the firearm operates correctly.
- Familiarize yourself with the operation of your firearm and the newly installed buttstock.
- Always follow safe handling practices when using your firearm.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of firearm parts in regular household waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product-related questions, please refer to your local regulations or consult a qualified firearms expert.

Thank you for prioritizing safety and responsibility while using the AR15/M16 A2 Rifle Buffer Tube Assembly Colt Buttstock Mounting Kit. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
