## For Driving Roll Pins, Sights & Solid Pins

**BRASS PUNCH SET** The Brownells Brass Punch Set is an essential collection of precision-machined, non-marring brass punches designed to assist gunsmiths and firearm enthusiasts in tasks such as drifting sights and driving pins without causing damage to the firearm's components. Description and Features: Comprehensive 20-Piece Set: This set includes a variety of punches to accommodate different gunsmithing needs: Four starter punches Eight roll pin punches Eight standard punches Durable Construction: Each punch is precision machined from high-quality brass, ensuring durability while preventing marring of firearm surfaces during use. Organized Storage: The set comes with a Delrin® bench block that holds and organizes all 20 punches, providing easy access and efficient workspace management. The bench block is resistant to most solvents, enhancing its durability in various working conditions. Specifications: Starter Punch Diameters: 1/16" (1.6mm), 3/32" (2.4mm), 1/8" (3.2mm), 5/32" (4mm) Roll Pin Punch Diameters: 1/16", 3/32", 1/8", 5/32", 3/16" (4.8mm), 7/32" (5.6mm), 1/4" (6.4mm), 5/16" (7.9mm) Standard Punch Diameters: 1/16", 3/32", 1/8", 5/32", 3/16", 7/32", 1/4", 5/16" Bench Block Dimensions: 6-3/8" long x 3" wide x 3/4" thick Customer Insights: Our customers report that the Brownells Brass Punch Set is invaluable for firearm maintenance and assembly tasks. The non-marring brass construction ensures that delicate firearm finishes remain unscathed during use. Customers appreciate the comprehensive range of punch sizes and the convenience of the included bench block for organized storage. Incorporating the Brownells Brass Punch Set into your gunsmithing toolkit provides you with a reliable and precise solution for various firearm maintenance tasks, ensuring both efficiency and protection of your firearm's integrity.

# Safety Instruction Guide for BRASS PUNCH SET BROWNELLS BRASS PUNCH BENCH BLOCK ONLY

## Introduction

Thank you for purchasing the BRASS PUNCH SET BROWNELLS BRASS PUNCH BENCH BLOCK ONLY. This product is designed for precision tasks involving the removal and installation of pins and sights on firearms. Your safety is our priority, and we encourage you to read this guide carefully to ensure the safe use of the product.

## General Safety Guidelines

- Always use the brass punches in a welllit and organized workspace.
- Keep the workspace free from clutter to avoid accidents.
- Ensure that the firearm is unloaded and secured before using the punches.
- Store the brass punches and bench block in a safe place, out of reach of children.
- Regularly inspect the punches for any damage or wear before use.
- Follow all local laws and regulations regarding the use of tools and firearms.

## Specific Safety Precautions for Use

- Use the appropriate punch size for the job to avoid damaging the pins or the firearm.
- Do not use excessive force when driving the punches; apply steady, controlled pressure.
- Always wear safety glasses to protect your eyes from flying debris.
- If the punch becomes stuck, do not force it; instead, assess the situation and use appropriate methods to free it.
- Keep hands and fingers clear of the striking area to prevent injury.
- Do not modify the punches or use them for purposes other than intended.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your workspace is clean and wellorganized.
- Gather all necessary tools and materials, including the brass punch set and a hammer.

### 2. Using Starter Punches

- Select the appropriate starter punch based on the diameter of the pin.
- Position the punch at the pin's edge and strike gently to start the removal.
- Gradually increase pressure as needed, ensuring the punch is aligned properly.

### 3. Using Roll Pin Punches

- Choose the correct roll pin punch size.
- Center the punch tip inside the hollow roll pin before striking.
- Drive the roll pin slowly to prevent slippage.

### 4. Using Standard Punches

- Select a standard punch for drifting sights.
- Align the punch with the sight and apply even pressure while striking.

### 5. Using the Bench Block

- Place the bench block securely on a stable surface.
- Organize your punches within the bench block for easy access.
- Use the bench block to support the workpiece while driving punches.

## **Disposal Instructions**

- Dispose of any damaged or worn punches responsibly.
- Follow local regulations for the disposal of metal tools.
- Do not throw punches in regular household waste; consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to the official BROWNELLS website or contact your local retailer for assistance.

By following these guidelines, you can ensure a safe and effective experience using the BRASS PUNCH SET BROWNELLS BRASS PUNCH BENCH BLOCK ONLY. Thank you for your attention to safety.
