Safety Instruction Guide for SCOPE RING ACCESSORIES

Introduction

Thank you for choosing the SCOPE RING ACCESSORIES by BROWNELLS. This product is designed to enhance the functionality of your Picatinny Scope Rings. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that all components are compatible with your specific scope and mounting system before use.
- Regularly inspect the scope ring accessories for wear and damage.
- Keep all components out of reach of children to avoid accidental injury.
- Follow local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Always ensure that the scope ring is securely fastened before use to prevent accidental detachment.
- Do not exceed the manufacturer's recommended torque settings when tightening the hex nut.
- Avoid using the product in extreme weather conditions that may compromise its integrity.
- If you notice any signs of damage or malfunction, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate hex key.
- Ensure that the work area is clean and free from distractions.

2. Installation:

- Remove the existing scope ring nut and crossbolt if applicable.
- Align the new hex nut with the scope ring and insert the crossbolt.
- Tighten the hex nut securely using the hex key, ensuring it is not overtightened.

3. Usage:

- After installation, check that the scope is properly aligned and securely mounted.
- Regularly check the integrity of the installation, especially after heavy use or transport.

Disposal Instructions

- Dispose of all packaging materials in accordance with local recycling regulations.
- For the scope ring accessories, if they are no longer usable, dispose of them in a manner that complies with local waste management guidelines.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the SCOPE RING ACCESSORIES, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and enjoyable experience with your SCOPE RING ACCESSORIES. Thank you for your attention to these important guidelines.
