

# SHOTGUN CLEANING ROD GUIDES - BROWNEllS 12 GAUGE SHOTGUN CLEANING ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

## Ensures Proper Rod Alignment & Protects The Bore

Machined Delrin® rod guide ensures correct alignment of the rod and prevents the rod from contacting the barrel walls and possibly causing damage. In use, the guide slips onto the cleaning rod before installing the brush or mop, then it's inserted into the chamber end along with the tip of the rod. Safe to use with cleaning solvents or lubricants, and cannot scratch or mar the chamber in any way. Models available to fit 12, 20, and 28 gauge, plus .410 bore. The Extended 12 gauge guide has an extra 5" of length and is used for semi-auto and pump gun barrels with long extensions.

# SHOTGUN CLEANING ROD GUIDE SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Brownells Shotgun Cleaning Rod Guide. This guide is designed to provide you with essential safety instructions and information for the proper use of this product. Please read this manual carefully to ensure safe and effective use.

## General Safety Guidelines

- Ensure that the cleaning rod guide is suitable for your shotgun gauge (12, 20, or 28 gauge, plus .410 bore).
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the cleaning rod guide and all cleaning supplies out of the reach of children.
- Inspect the cleaning rod guide before each use for any signs of wear or damage.
- Do not use the cleaning rod guide if it is damaged or does not fit properly in your shotgun.

## Specific Safety Precautions for Use

- Always ensure the shotgun is unloaded before using the cleaning rod guide.
- Avoid using excessive force when inserting or removing the cleaning rod guide from the chamber.
- Do not use the cleaning rod guide with any cleaning solvents or lubricants that are not recommended for use with firearms.
- If you experience any resistance when inserting the cleaning rod guide, stop immediately and check for obstructions.
- Use the cleaning rod guide only for its intended purpose; do not attempt to modify or adapt it for other uses.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your shotgun is completely unloaded and pointed in a safe direction.
- Gather your cleaning supplies, including the cleaning rod, brush or mop, and the cleaning rod guide.

### 2. Installation of the Cleaning Rod Guide

- Slide the cleaning rod guide onto the cleaning rod before installing the brush or mop.
- Align the guide with the chamber of your shotgun.

### 3. Inserting the Cleaning Rod Guide

- Carefully insert the cleaning rod (with the attached guide) into the chamber end of the shotgun.
- Ensure that the guide is properly seated in the chamber to prevent contact with the barrel walls.

### 4. Cleaning Process

- Proceed with the cleaning process as per the instructions for your specific cleaning supplies.
- After cleaning, carefully remove the cleaning rod and guide from the chamber.

### 5. PostUse Care

- Clean the cleaning rod guide with a soft cloth after each use to remove any residue.
- Store the cleaning rod guide in a safe, dry place away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of any cleaning materials and solvents in accordance with local regulations.
- If the cleaning rod guide becomes damaged beyond use, dispose of it in a manner that prevents accidental use by children or others.

## **Contact Information for Further Support**

For any inquiries regarding the safety and usage of the Brownells Shotgun Cleaning Rod Guide, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective cleaning process for your shotgun. Always prioritize safety and responsible handling when using firearms and related accessories.
