

SHOTGUN CLEANING ROD GUIDES - BROWNEllS .410 BORE SHOTGUN CLEANING ROD GUIDE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Ensures Proper Rod Alignment & Protects The Bore

Machined Delrin® rod guide ensures correct alignment of the rod and prevents the rod from contacting the barrel walls and possibly causing damage. In use, the guide slips onto the cleaning rod before installing the brush or mop, then it's inserted into the chamber end along with the tip of the rod. Safe to use with cleaning solvents or lubricants, and cannot scratch or mar the chamber in any way. Models available to fit 12, 20, and 28 gauge, plus .410 bore. The Extended 12 gauge guide has an extra 5" of length and is used for semi-auto and pump gun barrels with long extensions.

SHOTGUN CLEANING ROD GUIDES BROWNELLS

.410 BORE SHOTGUN CLEANING ROD GUIDE

Introduction

Thank you for choosing the SHOTGUN CLEANING ROD GUIDES BROWNELLS .410 BORE SHOTGUN CLEANING ROD GUIDE. This product is designed to provide safe and effective cleaning for your shotgun. It is essential to read and understand these safety instructions to ensure proper use and maintenance of the product.

General Safety Guidelines

- Ensure safe use of the cleaning rod guide with the shotgun.
- Always follow the manufacturer's instructions to avoid risks.
- Be aware of potential hazards when using cleaning solvents or lubricants.
- Use the product only as intended and for its specified purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Inspect the Product:** Before each use, inspect the cleaning rod guide for any signs of damage or wear. Do not use if damaged.
- **Use in a WellVentilated Area:** Always use cleaning solvents in a wellventilated space to avoid inhalation of fumes.
- **Avoid Contact with Eyes and Skin:** When using cleaning solvents, avoid contact with your eyes and skin. Wear protective gloves if necessary.
- **Do Not Force the Guide:** If the guide does not fit smoothly into the chamber, do not force it. Check for obstructions or misalignment.
- **Keep Away from Flame:** Cleaning solvents may be flammable. Keep the guide and cleaning materials away from open flames or heat sources.

Instructions for Installation and Usage

1. Preparation:

- Ensure your shotgun is unloaded and pointed in a safe direction.
- Gather all necessary materials: cleaning rod, brush or mop, cleaning solvent, and the cleaning rod guide.

2. Attaching the Guide:

- Slip the cleaning rod guide onto the cleaning rod before attaching the brush or mop.
- Ensure the guide is securely attached to prevent it from slipping during use.

3. Inserting the Guide:

- Insert the guide into the chamber end of the shotgun, aligning it properly.
- Ensure the tip of the cleaning rod is inserted into the guide for correct alignment.

4. Cleaning:

- Use the cleaning rod to move the brush or mop through the barrel, ensuring the guide prevents

- contact with the barrel walls.
- Follow the manufacturer's instructions for cleaning solvents and lubricants.

5. Removal:

- Once cleaning is complete, carefully remove the cleaning rod and guide from the shotgun.
- Clean the guide according to the manufacturer's instructions to maintain its condition.

Disposal Instructions

- Dispose of the cleaning rod guide responsibly. If the product becomes damaged or no longer usable, follow local regulations for disposal of plastic materials.
- Do not dispose of cleaning solvents or lubricants down the drain. Follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or customer support resources. Ensure you have the product details available for any inquiries.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SHOTGUN CLEANING ROD GUIDES BROWNELLS .410 BORE SHOTGUN CLEANING ROD GUIDE. Thank you for your attention to safety.
