## **Shouldered Beads Screw To The Right Height Every Time; Popular Sizes In Brass & Stainless Steel**

Brownells Shotgun Sight Kit "C" is a must have for any gunsmith or sporting goods store looking to save valuable time and really please their customers. We have taken everything that's great about our Shotgun Sight Kits "A" and "B" - like their unparalleled selection of high-quality and size-popular sight beads - and added a special feature to make the beads in Kit "C" fast, easy, and convenient to install . . . every time. Every sight bead in Shotgun Sight Kit "C" has the advantage of skirted shoulders. What this means to you, the professional gunsmith or the sporting goods store owner, is you'll never have to get out your mike or calipers again to ensure you've installed the sight to its proper height. No more guesswork either! Because when the skirted shoulder reaches the barrel, it provides a positive stop that lets you know the sight is at its optimum height. Every sight from Shotgun Sight Kit "C" installs with fool-proof ease - saving you both valuable shop time and, even more important, the nightmare of upsetting a valuable customer. Not only will customers be pleased with the installation you do, they'll also love the huge selection of sizes and styles from which to choose. We selected the most popular sizes from our Shotgun Sight Kits "A" and "B", because we know that's what your customers will come in and ask you for. Plus, we know how important it is to offer different styles to please as many shooters as possible. That's why Kit "C" offers each size bead in both Gold and White. It provides the perfect selection; Gold brass for a classy, traditional look many shotgun owners are partial to and White stainless steel for a sight bead so strong it even stands up to hot bluing. Thread sizes include 3-56 and 6-48 with bead diameters of .067", .130", and .175" to give your customers the choice of small, medium and large beads. Also, for easy storage and quick identification, we've followed the same, convenient layout of Kits "A" and "B" to make it as simple as possible to find the sight you need. Kit "C's" plastic counter case is divided into eight compartments to keep the beads organized and right at your fingertips. Plus, if you put this great-looking kit on your counter for your customers to see, it's a great way to create more business by reminding people to replace broken or damaged sight beads. Brownells Shotgun Sight Kit "C" is everything you've been looking for; a huge selection, superb quality, and now the convenience of skirted shoulders. Order this time-saving, customer-pleasing kit today and enjoy the speed, precision, and ease with which each of these sights installs. Refill Sights for Kit "C" - Refills for the Shotgun Sight Kit "C" are single or 10-pak of sights of one number.

# Safety Instruction Guide for SHOTGUN SIGHT BEAD KIT "C"

## Introduction

Thank you for choosing the SHOTGUN SIGHT BEAD KIT "C". This kit is designed to provide a convenient and efficient solution for installing shotgun sight beads. To ensure your safety and the proper use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

To ensure safe use of the SHOTGUN SIGHT BEAD KIT "C", please adhere to the following guidelines:

- Always use the product as intended and according to the instructions provided.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the kit for any damage or defects before use. Do not use damaged components.
- Store the kit in a cool, dry place to prevent deterioration of materials.
- Report any unsafe product experiences or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

When using the SHOTGUN SIGHT BEAD KIT "C", please take the following precautions to avoid potential hazards:

- Ensure that all tools and components are in good working condition before starting installation.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect against debris and sharp edges.
- Avoid direct contact with hot surfaces or materials during installation.
- Use caution when handling small parts to prevent choking hazards, especially around children.
- Follow manufacturer recommendations for installation techniques to ensure the proper function of the sight beads.

## Instructions for Installation and Usage

To successfully install and use the SHOTGUN SIGHT BEAD KIT "C", follow these steps:

### 1. Preparation:

- Gather all necessary tools, including a screwdriver and any additional equipment required for installation.
- Ensure that you have a clean and welllit workspace.

### 2. Selecting the Sight Bead:

- Choose the appropriate bead size and color (Gold or White) based on your preference and requirements.
- Refer to the size chart provided in the kit for guidance on bead dimensions.

### 3. Installation Process:

- Remove any existing sight bead from the shotgun barrel if applicable.
- Clean the area where the new bead will be installed to ensure proper adhesion.
- Align the sight bead with the barrel using the skirted shoulder as a guide.
- Gently press the bead into place until the skirted shoulder makes contact with the barrel, providing a positive stop.

- Ensure the bead is securely installed and check for proper alignment.

#### **4. PostInstallation Check:**

- Verify that the sight bead is firmly in place and does not move.
- Conduct a visual inspection to ensure correct height and alignment.

#### **5. Usage:**

- Test the shotgun with the new sight bead to ensure proper visibility and accuracy.
- Make any necessary adjustments based on personal shooting preferences.

## **Disposal Instructions**

When disposing of the SHOTGUN SIGHT BEAD KIT "C" or its components, please follow these guidelines:

- Dispose of any unused or damaged components in accordance with local regulations for hazardous materials.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of the product in general waste if it contains materials that could be harmful to the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the SHOTGUN SIGHT BEAD KIT "C", please refer to the manufacturer's contact information provided with the product. It is important to reach out for support or clarification to ensure safe and effective use of the product.

By following these safety instructions, you can ensure a safe and satisfactory experience with your SHOTGUN SIGHT BEAD KIT "C". Thank you for your attention to these important guidelines.
