Introduction

Thank you for purchasing the PREMIUM ROLL PIN PUNCHES BROWNELLS 1/16". This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the roll pin punches.

General Safety Guidelines

- Ensure that the work area is clean and welllit to avoid accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect yourself during use.
- Keep the roll pin punches out of reach of children and vulnerable individuals.
- Inspect the punches before each use for any signs of damage or wear. Do not use damaged tools.
- Store the roll pin punches in a safe and secure location when not in use.

Specific Safety Precautions for Use

- Always use the correct size punch for the roll pin you are removing or installing to prevent damage.
- Avoid using excessive force when using the punches. If resistance is met, reassess the situation rather than forcing the punch.
- Ensure that the punch is properly aligned with the roll pin before striking to avoid slipping.
- Do not use the punches for any purpose other than their intended use.
- Be cautious of sharp edges and points on the punches to prevent cuts or punctures.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the firearm is unloaded and safe to work on.

2. Using the Roll Pin Punch:

- Select the appropriate size punch (1/16", 5/64", 3/32", 1/8", 5/32", 3/16", or 7/32").
- Position the punch on the roll pin, ensuring it is centered.
- Hold the punch firmly and strike it gently with a hammer until the pin begins to move.
- Continue to strike until the roll pin is removed or fully seated, depending on whether you are installing or removing the pin.

3. PostUse:

- Clean the punches after use to remove any debris or residue.
- Inspect the punches for any damage or wear and replace if necessary.

Disposal Instructions

- Dispose of any damaged or worn punches according to local regulations.
- Ensure that all tools are disposed of in a manner that prevents injury to others, especially children and pets.
