APEX S&W M&P HEAVY DUTY PIN PUNCH SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the APEX S&W M&P Heavy Duty Pin Punch from Brownells. This tool is designed to assist you in safely and effectively removing roll pins from your Smith & Wesson M&P firearm. Please read and understand these safety instructions carefully to ensure safe use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before using the pin punch.
- Keep the pin punch out of reach of children and unauthorized users.
- Use the tool only for its intended purpose to avoid injury or damage.
- Inspect the pin punch regularly for signs of wear or damage. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the tool.
- Store the pin punch in a safe and dry place when not in use.

Specific Safety Precautions for Use

- Ensure that the work area is clean and welllit to prevent accidents.
- Do not apply excessive force when using the pin punch to avoid damaging the tool or the firearm.
- Use the pin punch with a hammer or mallet only if necessary, and ensure that the striking surface is appropriate to prevent damage.
- Avoid using the pin punch on any other materials or applications not specified in this guide.
- If you experience any discomfort or pain while using the tool, stop immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded and the work area is secure.
- Gather all necessary tools, including the APEX pin punch, a hammer or mallet (if needed), and safety equipment.

2. Using the Pin Punch

- Select the appropriate size pin punch based on the diameter of the roll pin (0.122 inches).
- Insert the pin punch into the roll pin you wish to remove.
- If needed, gently tap the punch with a hammer or mallet to drive the pin out. Ensure that you are striking the punch squarely to avoid damage.
- Once the pin is loosened, continue to pull it out by hand or with the punch until it is completely removed.

3. After Use

- Clean the pin punch to remove any debris or residue.
- Store the pin punch in a protective case or designated storage area to prevent damage.

Disposal Instructions

- Dispose of the pin punch responsibly at the end of its useful life.
- If the punch is damaged, check local regulations for proper disposal methods for metal tools.
- Do not dispose of the pin punch in regular household waste.

Contact Information for Further Support

For any inquiries regarding the APEX S&W M&P Heavy Duty Pin Punch, please refer to the manufacturer's contact details provided with your product or visit their official website for more information.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience when using the APEX S&W M&P Heavy Duty Pin Punch. Always prioritize safety and consult a professional if you have any questions or concerns. Thank you for your attention to these guidelines.
