

# HAMMER/SEAR BLOCK KITS - BROWNELLS RUGER® NEW MODEL SA HAMMER/SEAR PIN BLOCK KIT

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Stoning Fixtures](#)

Machined steel block allows you to mate the hammer and sear (or trigger) outside of the firearm for a clear, unobstructed view of the critical point of engagement. Accepts a wide selection of hammer and sear pins sized for various handguns and rifles. Dovetailed adjustment block rides in slotted channel so pin spacing can be precisely set to match individual frames and receivers. Allen screw locks the pin setting so hammer and sear can be dropped in place relative to their actual position in the firearm. Great for cutting the engagement surfaces on new parts or fine-tuning the factory ones. Pins are individually numbered for proper identification. Hammer/Sear Pin Block Kit is packaged in a see-thru, plastic box and contains hammer/sear pin block and all nine sets of special pins for popular gun models (Browning Hi-Power, Colt Army, Ruger 10/22, AR-15 Large and Small Pin, 1911, Uberti Cattleman, Ruger New SA, And Ruger MKII).

## Attributes

- Name: [BROWNELLS RUGER® NEW MODEL SA HAMMER/SEAR PIN BLOCK KIT](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080001229
- Mfr. No.:
- Model: New Model Single Action
- Weapon type: Ruger
- Delivery weight: 0.054kg
- UPC: 050806007758

# **Safety Instruction Guide for HAMMER/SEAR BLOCK KITS BROWNELLS RUGER® NEW MODEL SA HAMMER/SEAR PIN BLOCK KIT**

## **Introduction**

Thank you for choosing the HAMMER/SEAR BLOCK KITS BROWNELLS RUGER® NEW MODEL SA HAMMER/SEAR PIN BLOCK KIT. This guide provides essential safety instructions and usage information to ensure safe and effective use of the product. Please read and understand all instructions before use.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or wear before each use.
- Do not modify the product in any way; modifications can compromise safety.
- Always wear appropriate personal protective equipment (PPE) when using this product, such as safety glasses and gloves.
- Be aware of your surroundings and ensure that no one is in the vicinity when using this product.

## **Specific Safety Precautions for Use**

- Use the HAMMER/SEAR BLOCK only in a wellventilated area to avoid inhalation of any dust or debris.
- Handle all parts with care to avoid injury from sharp edges or moving components.
- Ensure that the firearm is unloaded and secured before attempting to use the block kit.
- Follow all manufacturer instructions regarding the assembly and disassembly of firearm components.
- Store the block kit and its components in a secure location when not in use.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure that all components are present: the hammer/sear pin block and all nine sets of special pins.
- Familiarize yourself with the components and their functions.

### **2. Setting Up the Block Kit:**

- Place the machined steel block on a stable work surface.
- Adjust the dovetailed adjustment block within the slotted channel to match the pin spacing of your specific firearm model.

### **3. Mating the Hammer and Sear:**

- Carefully insert the hammer and sear pins into the block, ensuring they are properly aligned.
- Use the Allen screw to lock the pin setting in place.

### **4. FineTuning:**

- If necessary, use the block to cut engagement surfaces on new parts or to finetune factory components.
- Ensure that all adjustments are made with precision to maintain safety and functionality.

## 5. Final Checks:

- After completing the assembly, doublecheck all settings and ensure that everything is secure before reassembling the firearm.
- Conduct a safety check of the firearm to confirm it is in working order.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided by the manufacturer or authorized dealer.

By following these safety instructions, you can ensure a safe and effective experience with the HAMMER/SEAR BLOCK KITS BROWNEllS RUGER® NEW MODEL SA HAMMER/SEAR PIN BLOCK KIT. Always prioritize safety and adhere to all guidelines.
