

# GEN II ARMORERS KIT - BROWNELLS ARMORER'S GEN II STANDARD KIT

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Gunsmithing Tool Kits](#)

**GEN II ARMORER'S KIT** The Brownells Gen II Armorer's Kits are comprehensive toolsets meticulously curated for gunsmiths and armorers dedicated to the maintenance, repair, and customization of AR-15, M16, and M4 rifles. These kits are designed to facilitate efficient and precise work, whether in the field or a workshop setting.

**Description and Features:** The Gen II Armorer's Kits are available in two configurations: Standard and Premium. Standard Kit: Equipped with essential tools for servicing AR-15 and M16A1 through A4 models. Premium Kit: Includes all Standard Kit tools, plus additional items necessary for comprehensive maintenance of M4 carbines. Both kits are housed in a custom-fitted, hard-sided Pelican toolbox made from nearly indestructible molded polymer resin, meeting mil-spec MIL-STD-810F standards. The updated toolbox features an aluminum rail slide system, allowing each tray to slide out into a secure position for easy access and removal if desired.

**Specifications:** The following tools are included in the kits:

- Torque Wrenches: 1/2" Drive 10-150 Foot-Pound Torque Wrench
- 55 In/Lb Torque Wrench Receiver Blocks: AR-15/M16 Lower Receiver Vise Block

# Safety Instruction Guide for Brownells Gen II Armorer's Kit

## Introduction

Thank you for choosing the Brownells Gen II Armorer's Kit. This comprehensive toolset is designed for gunsmiths and armorers to maintain, repair, and customize AR15, M16, and M4 rifles. Your safety and the effective use of these tools is our priority. Please read this safety instruction guide carefully to ensure safe and proper usage of the kit.

## General Safety Guidelines

- **Product Safety:** Always use tools according to the instructions provided. Ensure that the tools are in good condition before use.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. Check the EU Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** Keep the kit out of reach of children and vulnerable individuals. This kit is intended for adult use only.
- **EU Contact Point:** For safety inquiries, refer to the contact details provided by the retailer or manufacturer.
- **Rapid Alerts:** Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as safety goggles and gloves, when using tools.
- **Workspace Safety:** Ensure that your workspace is clean, dry, and welllit. Remove any clutter that could lead to accidents.
- **Tool Inspection:** Before each use, inspect tools for any damage or wear. Do not use damaged tools.
- **Proper Handling:** Always handle tools with care. Use the correct tool for each task to avoid injury or damage.
- **Avoid Distractions:** Focus on the task at hand. Avoid distractions while using tools to prevent accidents.
- **Storage:** Store tools in their designated places within the toolbox when not in use to prevent damage and maintain organization.

## Instructions for Installation and Usage

- **Using Torque Wrenches:**
  - Ensure the torque wrench is set to the required torque specifications for your firearm.
  - Apply pressure gradually and evenly. Do not exceed the specified torque limit.
- **Using Receiver Blocks:**
  - Secure the receiver block in a vise before using it. Ensure it is stable to prevent movement during use.
- **Using Hammers:**
  - Use the appropriate hammer for the task. For delicate work, use the Delrin tipped hammer to avoid damaging components.

- **Using Wrenches:**

- Select the correct wrench for the task. Ensure a snug fit to prevent slipping and injury.

- **Using Sight Tools:**

- Follow the manufacturer's guidelines for adjusting sights. Use the sight wrench carefully to avoid damaging the sight or firearm.

- **Using Punches and Roll Pin Holders:**

- Align the punch correctly with the pin before striking. Use a light tap to avoid damaging the pin or surrounding components.

- **Using Gauges and Alignment Tools:**

- Follow the instructions for each gauge carefully to ensure accurate measurements.

- **Using Additional Tools:**

- Refer to the specific instructions provided with each additional tool for safe and effective use.

## **Disposal Instructions**

- **Tool Disposal:** If any tools become unusable, dispose of them responsibly. Follow local regulations for hazardous waste disposal if applicable.
- **Packaging Disposal:** Recycle packaging materials where possible. Follow local recycling guidelines.

## **Contact Information for Further Support**

For more information or assistance regarding the Brownells Gen II Armorer's Kit, please refer to the retailer or manufacturer's contact details provided with your purchase.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Brownells Gen II Armorer's Kit. Thank you for prioritizing safety in your firearm maintenance practices.
