

# BOLT LAPPING TOOLS - COMPLETE BOLT LAPPING TOOL KIT

[Gunsmith Tools & Supplies](#) > [Rifle Tools](#) > [Bolt Tools](#) > [Bolt Lapping Tools](#)

## Interchangeable Design Gives Constant Spring Pressure For Precise Mating Of Locking Lug Recesses

Spring-loaded tool gives constant, straight-back pressure to keep bolt lugs square against the receiver while lapping with 600 to 800 grit, silicon carbide abrasive. Provides better results than mere thumb pressure. Interchangeable threaded sleeves fit popular actions listed below.

## Attributes

- Name: [COMPLETE BOLT LAPPING TOOL KIT](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080097000
- Mfr. No.:
- Make: Mauser, Savage Arms, Springfield
- Model: M14, M1A, Universal Rifles
- Delivery weight: 0.703kg
- Shipping height: 58mm
- Shipping width: 61mm
- Shipping length: 173mm
- UPC: 050806008212

# **BOLT LAPPING TOOLS COMPLETE BOLT LAPPING TOOL KIT Safety Instruction Guide**

## **Introduction**

Thank you for choosing the BOLT LAPPING TOOLS COMPLETE BOLT LAPPING TOOL KIT. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this guide carefully before using the tool kit to prevent accidents and ensure optimal performance.

## **General Safety Guidelines**

- Ensure that the tool kit is used only for its intended purpose as outlined in this guide.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the tool kit.
- Keep the tool kit out of reach of children and unauthorized users.
- Inspect the tool kit before each use to ensure all components are in good working condition.
- Do not use the tool kit if any parts are damaged or missing.
- Follow all manufacturer instructions and guidelines for use to avoid potential hazards.
- Be aware of your surroundings and ensure a clear workspace to prevent accidents.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Use the tool kit only in a wellventilated area to avoid inhaling dust from the abrasive materials.
- Keep hands and other body parts clear of moving parts during operation.
- Use the correct size sleeve for the bolt model being worked on to ensure proper fit and function.
- Do not apply excessive force when using the springloaded tool; allow the tool to provide the necessary pressure.
- Ensure that the bolt lapping tool is securely attached to the receiver before beginning the lapping process.
- Avoid using the tool kit for any purpose other than lapping bolts, as misuse can lead to injuries or damage.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary components from the tool kit, including the bolt tool body, plunger, and appropriate sleeve.
- Ensure that the workspace is clean and welllit.

### **2. Installation:**

- Select the correct sleeve based on the model of the bolt you are working on (M14, M1A, Mauser, or Savage).
- Attach the sleeve to the bolt tool body by threading it securely.

### **3. Using the Tool:**

- Insert the bolt into the receiver and ensure it is properly aligned.
- Position the springloaded tool against the bolt lugs.
- Apply steady, even pressure using the springloaded mechanism.
- Use 600 to 800 grit silicon carbide abrasive during the lapping process for optimal results.

- Periodically check the progress and ensure the bolt lugs remain square against the receiver.

#### 4. PostUsage:

- After completing the lapping process, carefully remove the tool from the receiver.
- Clean the tool and workspace to remove any debris or abrasive material.
- Store the tool kit in a safe location, ensuring all components are accounted for.

## Disposal Instructions

- Dispose of any used abrasive materials and packaging in accordance with local regulations.
- Do not dispose of the tool kit in regular household waste if it is damaged. Instead, follow local guidelines for hazardous waste disposal.
- Ensure that all components are recycled or disposed of properly to minimize environmental impact.

## Contact Information for Further Support

For additional support, please refer to the manufacturer's website or contact customer service for assistance. Ensure you have the product details on hand for a more efficient inquiry.

By following these safety instructions, you can ensure a safe and effective experience with your BOLT LAPPING TOOLS COMPLETE BOLT LAPPING TOOL KIT. Thank you for your attention to safety and proper usage.
