BOLT LAPPING TOOLS 3PIECE BOLT LAPPING KIT FOR M1A/M14 Safety Instruction Guide

Introduction

Thank you for choosing the BOLT LAPPING TOOLS 3PIECE BOLT LAPPING KIT FOR M1A/M14. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read and understand this manual before using the tool.

General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Ensure that the work area is clean and free of hazards before starting.
- Keep the tool out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE) such as safety goggles and gloves.
- Do not use the tool for any purpose other than its intended use.
- Regularly inspect the tool for damage or wear before each use.
- If the tool is damaged or malfunctioning, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Be cautious of the abrasive materials used in lapping. They can cause skin irritation or respiratory issues if inhaled.
- Always maintain a firm grip on the tool while in use to prevent slipping.
- Ensure that all threaded sleeves are securely attached before use to avoid accidents.
- Avoid excessive force during lapping to prevent damage to the bolt or receiver.
- Do not leave the tool unattended while in use.
- Store the tool in a safe place when not in use to prevent unauthorized access.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure the work area is welllit and organized.

2. Installation of Sleeves:

- Select the appropriate threaded sleeve for your action type (M14, M1A, Mauser, or Savage).
- Screw the sleeve onto the tool body until secure.

3. Using the Lapping Tool:

- Insert the plunger into the tool body.
- Apply a small amount of the silicon carbide abrasive to the bolt lugs.
- Position the bolt against the receiver.
- Slowly and steadily apply pressure to the plunger, ensuring that the bolt lugs remain square against the receiver.
- Move the tool back and forth gently to achieve an even lap.

4. PostUse Care:

- Clean the tool and remove any residual abrasive material after use.

- Inspect the tool for any signs of wear or damage.
- Store the tool in a dry and secure location.

Disposal Instructions

- Dispose of any used abrasive materials in accordance with local regulations.
- For the tool itself, check with local waste management authorities for proper disposal methods.
- Do not dispose of the tool in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the BOLT LAPPING TOOLS 3PIECE BOLT LAPPING KIT FOR M1A/M14, please consult the manufacturer or your local distributor for assistance.

By following these guidelines, you can ensure a safe and effective experience with your BOLT LAPPING TOOLS 3PIECE BOLT LAPPING KIT. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
