

BOLT LAPPING TOOLS - BROWNELLS 2-PIECE BOLT LAPPING KIT FOR MAUSER LARGE

[Gunsmith Tools](#) > [Rifle Tools](#) > [Bolt Tools](#) > [Bolt Lapping Tools](#)

Interchangeable Design Gives Constant Spring Pressure For Precise Mating Of Locking Lug Recesses

Spring-loaded tool gives constant, straight-back pressure to keep bolt lugs square against the receiver while lapping with 600 to 800 grit, silicon carbide abrasive. Provides better results than mere thumb pressure. Interchangeable threaded sleeves fit popular actions listed below.

One Gun Bolt Lapping Set fits Mauser Large

Safety Instruction Guide for BOLT LAPPING TOOLS BROWNELLS 2PIECE BOLT LAPPING KIT FOR MAUSER LARGE

Introduction

Thank you for choosing the BOLT LAPPING TOOLS BROWNELLS 2PIECE BOLT LAPPING KIT FOR MAUSER LARGE. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the kit.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles and gloves when using the lapping kit.
- Keep the kit out of reach of children and pets to prevent accidents.
- Inspect the tools for any damage or wear before use. Do not use damaged tools.
- Store the kit in a dry, cool place away from direct sunlight and extreme temperatures.
- Follow all local regulations regarding the use and disposal of tools and equipment.

Specific Safety Precautions for Use

- Use the lapping kit only on Mauser Large actions as specified. Using the kit on incompatible models may result in damage or injury.
- Ensure that the firearm is unloaded and in a safe condition before beginning any work.
- Avoid working in a cluttered or poorly lit area to reduce the risk of accidents.
- Do not apply excessive force when using the lapping tools, as this may cause damage to the tools or the firearm.
- Be mindful of your hands and fingers when using the plunger and handle to avoid pinching or injury.
- If you experience any discomfort or pain while using the tools, stop immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and safe to work on.
- Gather all necessary components of the lapping kit: bolt tool body, plunger, and correct size sleeve.

2. Installation:

- Select the appropriate sleeve for your Mauser Large action.
- Attach the sleeve securely to the bolt tool body.
- Ensure the plunger is properly fitted and moves freely within the sleeve.

3. Lapping Process:

- Apply a small amount of lapping compound to the sleeve.
- Insert the tool into the bolt action and operate the plunger in a controlled manner.
- Make sure to apply even pressure and avoid excessive force.
- Periodically check the progress and clean the sleeve as necessary.

4. **PostUse:**

- Clean all tools thoroughly after use to remove any lapping compound.
- Store the kit in its designated case to prevent damage and ensure longevity.

Disposal Instructions

- Dispose of any lapping compound and used materials in accordance with local regulations.
- If the tools are damaged beyond repair, follow local guidelines for the disposal of metal and plastic materials.
- Do not dispose of tools in general household waste unless they are confirmed to be safe for such disposal.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to your local distributor or refer to the product's packaging for contact information.

By following these safety instructions, you can help ensure a safe and successful experience while using the BOLT LAPPING TOOLS BROWNELLS 2PIECE BOLT LAPPING KIT FOR MAUSER LARGE. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important instructions.
