Take The Blow(\$) Out Of Replacing Pin Punches

GUNSMITH REPLACEABLE PIN PUNCH SET The Brownells Gunsmith Replaceable Pin Punch Set is a versatile and durable tool designed to enhance efficiency in firearm assembly and maintenance. This innovative set features a robust handle paired with replaceable punch tips, allowing for quick replacements and minimizing downtime during gunsmithing tasks.

Description and Features: High-Strength Handle: Crafted from fatigue-proof cold rolled steel (C.R.S.) with a tensile strength exceeding 140,000 psi, the handle ensures durability and longevity. Replaceable Punch Tips: The set includes tool steel, bevel-headed punches that are oil-hardened to a Rockwell hardness of Rc 58-60, with annealed heads at Rc 42-45. These replaceable tips can be ground to exact lengths as needed, offering customization for specific tasks. Secure Grip: A removable knurled chuck securely holds the punch tips in place during use, providing stability and precision. Available Sizes: The replaceable punch tips are available in various diameters to accommodate different pin sizes commonly encountered in firearms: 0.039" 0.060" 0.091" Each size is offered in lengths of 2 inches and 2.5 inches, providing flexibility for various applications. Specifications: Handle Material: Cold rolled steel (C.R.S.) Punch Material: Tool steel Hardness: Punch tips hardened to Rc 58-60; heads annealed to Rc 42-45 Available Punch Diameters: 0.039", 0.060", 0.091" Available Punch Lengths: 2 inches, 2.5 inches Customer Insights: Our customers report that the Brownells Gunsmith Replaceable Pin Punch Set is an invaluable addition to their toolkit. The ability to quickly replace punch tips reduces downtime, and the customizable lengths allow for precise application in various gunsmithing tasks. The high-strength handle provides a comfortable and secure grip, enhancing overall efficiency and accuracy. Incorporating the Brownells Gunsmith Replaceable Pin Punch Set into your gunsmithing toolkit ensures you have a reliable and adaptable solution for pin removal and installation, streamlining your firearm maintenance and assembly processes.

Safety Instruction Guide for GUNSMITH REPLACEABLE PIN PUNCH SET

Introduction

Thank you for choosing the Brownells Gunsmith Replaceable Pin Punch Set. This guide provides essential safety information to ensure the safe and effective use of your new tool. Please read this guide carefully before using the product.

General Safety Guidelines

- Always use the pin punch set in a welllit and clean workspace.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool before each use to ensure it is in good working condition.
- Use protective eyewear and gloves during operation to prevent injuries.
- Be aware of your surroundings and ensure no one is in close proximity while using the tool.
- Do not use the tool for purposes other than its intended use.

Specific Safety Precautions for Use

- **Handle with Care:** The replaceable punch tips are sharp and can cause injury. Always handle them carefully.
- **Secure Grip:** Ensure the punch tips are securely fastened in the knurled chuck before use to prevent accidents.
- **Avoid Excessive Force:** Do not apply excessive force when using the punch, as this may cause tool failure or injury.
- **Stay Focused:** Maintain focus while using the tool and avoid distractions that could lead to accidents.
- **Proper Storage:** Store the tool in a safe, dry place when not in use to prevent damage and maintain functionality.

Instructions for Installation and Usage

1. **Selecting the Punch Tip:** Choose the appropriate punch tip size based on your specific task (0.039", 0.060", or 0.091").
2. **Installing the Punch Tip:**
 - Unscrew the knurled chuck counterclockwise to open it.
 - Insert the selected punch tip into the chuck.
 - Tighten the knurled chuck by turning it clockwise until the punch tip is securely held in place.
3. **Using the Punch:**
 - Position the punch tip against the pin you wish to remove or install.
 - Apply steady pressure to drive the punch.
 - Avoid excessive force; if the punch does not move the pin, reassess the alignment and try again.
4. **Removing the Punch Tip:**
 - After use, unscrew the knurled chuck counterclockwise to release the punch tip.
 - Store the punch tip in a designated area to prevent loss or damage.

Disposal Instructions

- Dispose of the tool and its components in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Consider recycling options for steel materials where available.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Brownells Gunsmith Replaceable Pin Punch Set, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for prioritizing safety while using your new tool. Enjoy your gunsmithing tasks with confidence!
