## Take The Blow(\$) Out Of Replacing Pin Punches

GUNSMITH REPLACEABLE PIN PUNCH SET The Brownells Gunsmith Replaceable Pin Punch Set is a versatile and durable tool designed to enhance efficiency in firearm assembly and maintenance. This innovative set features a robust handle paired with replaceable punch tips, allowing for quick replacements and minimizing downtime during gunsmithing tasks.

Description and Features: High-Strength Handle: Crafted from fatigue-proof cold rolled steel (C.R.S.) with a tensile strength exceeding 140,000 psi, the handle ensures durability and longevity. Replaceable Punch Tips: The set includes tool steel, bevel-headed punches that are oil-hardened to a Rockwell hardness of Rc 58-60, with annealed heads at Rc 42-45. These replaceable tips can be ground to exact lengths as needed, offering customization for specific tasks. Secure Grip: A removable knurled chuck securely holds the punch tips in place during use, providing stability and precision. Available Sizes: The replaceable punch tips are available in various diameters to accommodate different pin sizes commonly encountered in firearms: 0.039" 0.060" 0.091" Each size is offered in lengths of 2 inches and 2.5 inches, providing flexibility for various applications. Specifications: Handle Material: Cold rolled steel (C.R.S.) Punch Material: Tool steel Hardness: Punch tips hardened to Rc 58-60; heads annealed to Rc 42-45 Available Punch Diameters: 0.039", 0.060", 0.091" Available Punch Lengths: 2 inches, 2.5

inches Customer Insights: Our customers report that the Brownells Gunsmith Replaceable Pin Punch Set is an invaluable addition to their toolkit. The ability to quickly replace punch tips reduces downtime, and the customizable lengths allow for precise application in various gunsmithing tasks. The high-strength handle provides a comfortable and secure grip, enhancing overall efficiency and accuracy. Incorporating the Brownells Gunsmith Replaceable Pin Punch Set into your gunsmithing toolkit ensures you have a reliable and adaptable solution for pin removal and installation, streamlining your firearm maintenance and assembly processes.

# Safety Instruction Guide for the Brownells Gunsmith Replaceable Pin Punch Set

## Introduction

Thank you for choosing the Brownells Gunsmith Replaceable Pin Punch Set. This guide provides essential safety instructions to ensure the safe and effective use of your pin punch set. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle tools with care to avoid injury.
- Ensure that the work area is clean, welllit, and free from distractions.
- Keep the pin punch set away from children and unauthorized users.
- Inspect the tool for any damage before each use. Do not use damaged tools.
- Use the pin punch set only for its intended purpose.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the pin punch set.

## Specific Safety Precautions for Use

- Ensure that the punch tips are securely attached to the handle before use.
- Avoid excessive force when using the pin punch to prevent breakage or injury.
- Do not use the pin punch on materials for which it is not designed.
- Maintain a firm grip on the handle while using the tool to prevent slippage.
- Always direct the punch away from yourself and others when striking.
- If the punch tip becomes stuck, do not force it out. Use appropriate tools to gently remove it.

## Instructions for Installation and Usage

### 1. Installation of Punch Tips:

- Select the appropriate punch tip size for your task (0.039", 0.060", or 0.091").
- Insert the punch tip into the knurled chuck of the handle.
- Turn the chuck clockwise to secure the punch tip in place.

### 2. Using the Pin Punch:

- Position the pin punch tip over the pin you wish to remove or install.
- Hold the handle firmly and strike the opposite end of the handle with a hammer or mallet.
- For installation, align the punch tip with the pin and gently tap until the pin is seated.

### 3. Replacement of Punch Tips:

- To replace a punch tip, unscrew the knurled chuck counterclockwise.
- Remove the old punch tip and insert a new one, following the installation steps above.

## Disposal Instructions

- Dispose of the pin punch set and any damaged components in accordance with local regulations.
- Do not dispose of tools in regular household waste.
- Consider recycling metal components where possible.

## **Contact Information for Further Support**
