# GUNSMITH REPLACEABLE PIN PUNCH SET - REPLACEMENT PINS, 2-1/2"X.039" 6 PACK

## Take The Blow($) Out Of Replacing Pin Punches

GUNSMITH REPLACEABLE PIN PUNCH SET   The Brownells Gunsmith Replaceable Pin Punch Set is a versatile and durable tool designed to enhance efficiency in firearm assembly and maintenance. This innovative set features a robust handle paired with replaceable punch tips, allowing for quick replacements and minimizing downtime during gunsmithing tasks. Description and Features: High-Strength Handle: Crafted from fatigue-proof cold rolled steel (C.R.S.) with a tensile strength exceeding 140,000 psi, the handle ensures durability and longevity. Replaceable Punch Tips: The set includes tool steel, bevel-headed punches that are oil-hardened to a Rockwell hardness of Rc 58-60, with annealed heads at Rc 42-45. These replaceable tips can be ground to exact lengths as needed, offering customization for specific tasks. Secure Grip: A removable knurled chuck securely holds the punch tips in place during use, providing stability and precision. Available Sizes:   The replaceable punch tips are available in various diameters to accommodate different pin sizes commonly encountered in firearms: 0.039" 0.060" 0.091" Each size is offered in lengths of 2 inches and 2.5 inches, providing flexibility for various applications.   Specifications: Handle Material: Cold rolled steel (C.R.S.) Punch Material: Tool steel Hardness: Punch tips hardened to Rc 58-60; heads annealed to Rc 42-45 Available Punch Diameters: 0.039", 0.060", 0.091" Available Punch Lengths: 2 inches, 2.5 inches Customer Insights:   Our customers report that the Brownells Gunsmith Replaceable Pin Punch Set is an invaluable addition to their toolkit. The ability to quickly replace punch tips reduces downtime, and the customizable lengths allow for precise application in various gunsmithing tasks. The high-strength handle provides a comfortable and secure grip, enhancing overall efficiency and accuracy.   Incorporating the Brownells Gunsmith Replaceable Pin Punch Set into your gunsmithing toolkit ensures you have a reliable and adaptable solution for pin removal and installation, streamlining your firearm maintenance and assembly processes.

# Safety Instruction Guide for the Brownells Gunsmith Replaceable Pin Punch Set

## Introduction

Thank you for choosing the Brownells Gunsmith Replaceable Pin Punch Set. This guide provides essential safety instructions to ensure the safe and effective use of this product. By following these guidelines, you can minimize risks and enhance your overall experience while using the tool.

## General Safety Guidelines

- Ensure that the workspace is clean and welllit to prevent accidents.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the pin punch set.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool before use to ensure it is in good condition, with no visible damage to the handle or punch tips.
- Do not use the tool for purposes other than those intended.
- Be aware of your surroundings and ensure that no one is in the immediate area when using the pin punch set.

## Specific Safety Precautions for Use

- Handle the punches with care to avoid injury. The tips are sharp and can cause cuts or punctures.
- Use the correct punch size for the specific pin you are working with to avoid damaging the pin or the tool.
- When replacing punch tips, ensure that the knurled chuck is securely tightened to prevent the tips from coming loose during use.
- Avoid excessive force when using the punch set, as this may lead to tool failure or personal injury.
- Store the punch set in a safe location when not in use to prevent accidents.

## Instructions for Installation and Usage

1. **Selecting the Right Punch Tip**:

   - Choose the appropriate punch tip size based on the pin you are working with (0.039", 0.060", or 0.091").
   - Ensure that the punch tip length is suitable for your application (2 inches or 2.5 inches).

2. **Replacing Punch Tips**:

   - Remove the existing punch tip by loosening the knurled chuck.
   - Insert the new punch tip into the chuck, ensuring it is fully seated.
   - Tighten the knurled chuck securely to hold the punch tip in place.

3. **Using the Pin Punch Set**:

   - Position the punch tip against the pin you wish to remove or install.
   - Apply firm, controlled pressure to drive the punch tip into the pin.
   - If resistance is met, reassess your technique rather than applying excessive force.

4. **PostUse Care**:

   - Clean the punch tips after use to remove any debris or residue.

- Inspect the tool for any signs of wear or damage before storing it.

# Disposal Instructions

- Dispose of any damaged or wornout punch tips responsibly. Check local regulations for proper disposal methods.
- If the tool is no longer usable, consider recycling the metal components where possible.
- Do not dispose of the tool in regular household waste.

# Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information included with your product packaging. It is essential to have access to this information for any safetyrelated questions or concerns.

By following these safety instructions, you can ensure the safe and effective use of the Brownells Gunsmith Replaceable Pin Punch Set. Thank you for your attention to safety.
