## Take The Blow(\$ ) Out Of Replacing Pin Punches

GUNSMITH REPLACEABLE PIN PUNCH SET The Brownells Gunsmith Replaceable Pin Punch Set is a versatile and durable tool designed to enhance efficiency in firearm assembly and maintenance. This innovative set features a robust handle paired with replaceable punch tips, allowing for quick replacements and minimizing downtime during gunsmithing tasks.

Description and Features: High-Strength Handle: Crafted from fatigue-proof cold rolled steel (C.R.S.) with a tensile strength exceeding 140,000 psi, the handle ensures durability and longevity. Replaceable Punch Tips: The set includes tool steel, bevel-headed punches that are oil-hardened to a Rockwell hardness of Rc 58-60, with annealed heads at Rc 42-45. These replaceable tips can be ground to exact lengths as needed, offering customization for specific tasks.

Secure Grip: A removable knurled chuck securely holds the punch tips in place during use, providing stability and precision. Available Sizes: The replaceable punch tips are available in various diameters to accommodate different pin sizes commonly encountered in firearms: 0.039" 0.060" 0.091" Each size is offered in lengths of 2 inches and 2.5 inches, providing flexibility for various applications. Specifications: Handle Material: Cold rolled steel (C.R.S.) Punch Material: Tool steel Hardness: Punch tips hardened to Rc 58-60; heads annealed to Rc 42-45 Available Punch

Diameters: 0.039", 0.060", 0.091" Available Punch Lengths: 2 inches, 2.5 inches Customer Insights: Our customers report that the Brownells Gunsmith Replaceable Pin Punch Set is an invaluable addition to their toolkit. The ability to quickly replace punch tips reduces downtime, and the customizable lengths allow for precise application in various gunsmithing tasks. The high-strength handle provides a comfortable and secure grip, enhancing overall efficiency and accuracy. Incorporating the Brownells Gunsmith Replaceable Pin Punch Set into your gunsmithing toolkit ensures you have a reliable and adaptable solution for pin removal and installation, streamlining your firearm maintenance and assembly processes.

# Safety Instruction Guide for the Brownells Gunsmith Replaceable Pin Punch Set

## Introduction

Thank you for choosing the Brownells Gunsmith Replaceable Pin Punch Set. This versatile tool is designed for enhancing efficiency in firearm assembly and maintenance. To ensure safe and effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool for any damage or wear before use. Do not use if damaged.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling tools.
- Store the tool in a dry place to prevent rust and degradation.
- Be aware of your surroundings when using the tool to avoid accidents.

## Specific Safety Precautions for Use

- Ensure that the punch tips are securely fastened in the knurled chuck before use to prevent them from dislodging.
- Do not apply excessive force when using the pin punch, as this may cause damage to the tool or injury.
- Avoid using the tool on pins that are corroded or rusted, as this may increase the risk of breakage.
- Always direct the punch away from yourself and others when using it to minimize the risk of injury.
- Use the correct size punch tip for the pin you are working with to avoid slipping or damaging the pin.
- Do not modify the tool or its components in any way, as this may compromise safety.

## Instructions for Installation and Usage

### 1. Selecting the Punch Tip:

- Choose the appropriate punch tip size based on the pin diameter (0.039", 0.060", or 0.091").
- Ensure the length of the punch tip (2" or 2.5") is suitable for your application.

### 2. Installing the Punch Tip:

- Remove the knurled chuck from the handle by twisting it counterclockwise.
- Insert the selected punch tip into the chuck.
- Securely tighten the chuck by twisting it clockwise until the punch tip is held firmly in place.

### 3. Using the Pin Punch:

- Position the punch tip against the pin you wish to remove or install.
- Hold the handle firmly and strike the end of the handle with a hammer or mallet to drive the punch tip.
- Repeat as necessary, ensuring that the punch tip remains aligned with the pin.

### 4. After Use:

- Remove the punch tip from the chuck and clean it to remove any debris or residue.
- Store the tool in its designated place to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn punch tips in accordance with local regulations.
- Recycle the steel handle according to local recycling guidelines.
- Do not dispose of the product in regular household waste. Check for specific disposal facilities in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or usage of the Brownells Gunsmith Replaceable Pin Punch Set, please refer to the manufacturer's contact point, which is provided in the product packaging or on the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience while using the Brownells Gunsmith Replaceable Pin Punch Set. Thank you for prioritizing safety in your tools and practices.
