

# TRIGGER ADJUSTMENT PINS - BROWNELLS TRIGGER ADJ. PINS FIT COLT GOVT., COMMANDER & GOLD CUP

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Trigger Job Hand Tools](#)

## Mount On Outside; Save Repeated Assembly/Disassembly

Precision-ground and hardened trigger and hammer pins (.0005" tolerance) that mount on the outside of the gun frame, using the gun's own pin holes. Allows you to easily observe and adjust trigger pull and sear engagement without repeated disassembly/reassembly to "blind test" changes. Saves time and money; greatly improves chances of getting it right!

# Safety Instruction Guide for Trigger Adjustment Pins

## Introduction

Thank you for choosing the Brownells Trigger Adjustment Pins. These precisionground and hardened trigger and hammer pins are designed to enhance your firearm's performance. This guide provides important safety information and instructions to ensure safe use and maintenance.

## General Safety Guidelines

- Always handle firearms with care, following all standard safety practices.
- Ensure that the firearm is unloaded before installing or adjusting the trigger pins.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the trigger adjustment pins for wear or damage before each use.
- If you notice any defects, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Do not attempt to modify the trigger adjustment pins or use them in a manner not specified in this guide.
- Always wear appropriate eye protection when working with firearms.
- Ensure that you are in a safe and controlled environment when making adjustments to the trigger pull and sear engagement.
- Be aware of your surroundings and ensure that no one is in the line of fire during adjustments.
- Follow all local laws and regulations regarding firearms and modifications.

## Instructions for Installation and Usage

### Installation of Trigger Adjustment Pins

#### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary tools, including a small hammer and punch.

#### 2. Remove Existing Pins:

- Use a punch to gently tap out the existing trigger and hammer pins. Keep them in a safe place for potential reinstallation.

#### 3. Install Trigger Adjustment Pins:

- Align the new trigger adjustment pins with the existing pin holes on the firearm frame.
- Carefully tap the pins into place using the hammer and punch until they are securely fitted.

#### 4. Adjusting Trigger Pull and Sear Engagement:

- Once installed, observe the trigger pull and sear engagement.
- Make adjustments as necessary without disassembling the firearm repeatedly. This can be done by turning the adjustment screws on the pins.

#### 5. Test Functionality:

- After adjustments, ensure the firearm functions correctly by performing a safe function test (e.g.,

dry fire) in a controlled environment.

## Usage Guidelines

- Always check the adjustment after installation to ensure proper function.
- Avoid making drastic adjustments; small increments are recommended for optimal performance.
- Document any changes made for future reference.

## Disposal Instructions

- Dispose of any damaged or worn parts in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options or contacting a local waste management facility for guidance.

## Contact Information for Further Support

For any questions or concerns regarding the Trigger Adjustment Pins, please refer to the manufacturer's website or contact their customer support. Ensure that you have the product details on hand for more efficient assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Brownells Trigger Adjustment Pins. Always prioritize safety and compliance with local laws when handling firearms. Thank you for your attention to these important guidelines.
