The CURE For Some Tough Assembly Jobs

GUNSMITH'S ALIGNMENT PINS The Brownells Gunsmith's Alignment Pins are precision-engineered tools designed to assist gunsmiths and firearm enthusiasts in aligning parts and assemblies during firearm maintenance and assembly. These 4-inch steel tapered alignment pins are forged and feature a 2.5-inch taper-ground and polished section, providing durability and ease of use. The knurled grip ensures a secure hold during operation. The set offers size overlap from pin to pin, covering a wide range of applications. Available Options: Complete 3-Piece Pin Set: Includes small, medium, and large pins to accommodate various alignment tasks. Individual Pins: Small Pin: Diameter ranges from 0.070" to 0.156". Medium Pin: Diameter ranges from 0.110" to 0.187". Large Pin: Diameter ranges from 0.150" to 0.219". Specifications: Length: 4 inches Tapered Section: 2.5 inches, ground and polished Grip: Knurled for enhanced handling Customer Insights: Our customers report that the Brownells Gunsmith's Alignment Pins are invaluable for aligning firearm components during assembly and maintenance. The tapered design and polished finish allow for precise alignment, while the knurled grip provides a secure hold, reducing the risk of slippage. Customers appreciate the availability of different sizes, ensuring compatibility with a wide range of firearms. Incorporating the Brownells Gunsmith's Alignment Pins into your toolkit ensures you have the precision tools necessary for accurate and efficient firearm assembly and maintenance.

GUNSMITH'S ALIGNMENT PINS Safety Instructions

Introduction

Thank you for choosing the GUNSMITH'S ALIGNMENT PINS from BROWNELLS. These alignment pins are designed for professional use, providing precision and reliability in your gunsmithing tasks. This safety instruction guide is designed to ensure your safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the alignment pins are used in a safe environment, free from distractions and hazards.
- Keep the alignment pins out of reach of children and unauthorized users.
- Inspect the alignment pins for any damage or wear before each use. Do not use damaged pins.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the alignment pins only for their intended purpose as specified in the product description.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the alignment pins.
- Avoid applying excessive force when using the pins to prevent injury or damage.
- Ensure that the work area is welllit and organized to minimize the risk of accidents.
- Do not use the alignment pins on live firearms or in situations where they may cause harm.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting your project.
- Ensure that the workspace is clean and free from obstructions.

2. Using the Alignment Pins:

- Select the appropriate size alignment pin based on your specific needs (Small, Medium, or Large).
- Insert the alignment pin into the designated hole or area as required for your task.
- Ensure that the pin is seated properly and securely before proceeding with any further work.
- If using multiple pins, ensure that they overlap correctly to cover the required area.

3. PostUse Care:

- After use, clean the alignment pins to remove any debris or contaminants.
- Store the alignment pins in a safe, dry place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or worn alignment pins in accordance with local regulations.
- Do not dispose of the alignment pins in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions, concerns, or support regarding the GUNSMITH'S ALIGNMENT PINS, please reach out to the designated contact point provided with your product packaging or on the manufacturer's website.

Thank you for prioritizing safety while using the GUNSMITH'S ALIGNMENT PINS. Your adherence to these guidelines helps ensure a safe and effective experience.
