Sharp, Precision-Ground Stones With Clean Cutting Edges For Superb Trigger And Sear Work

Flawless, man-made ceramic stones polish the surface of steel as they cut, so you save time as you produce a clean, ripple free surface on any metal with just a few easy strokes. Double, precision grinding after high pressure extrusion produces the consistent, extra-fine grit, true angles and the sharp, perfectly square edges necessary for top quality handgun and rifle trigger work. Extra hard ceramic material maintains its surface so edges stay square and straight without chips or glazing. Cuts can be made dry - so there's no messy cleanup - or with water. With normal care these high quality stones will maintain their edge and last a lifetime.

Attributes

- Name: [GUNSMITH'S PREMIUM TRIANGLE CERAMIC STONE](#)
- Manufacturer: [BROWNELLS](#)

GUNSMITH'S PREMIUM CERAMIC STONE FILE SET

Safety Instruction Guide

Introduction

Thank you for choosing the GUNSMITH'S PREMIUM CERAMIC STONE FILE SET. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before using the ceramic stones to avoid any potential hazards.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the ceramic stones out of reach of children and vulnerable individuals.
- Regularly inspect the ceramic stones for any signs of damage or wear.
- Use the stones in a wellventilated area to avoid inhaling any particles that may be generated during use.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the stones.

Specific Safety Precautions for Use

- **Avoid Direct Skin Contact:** The ceramic stones are designed for use on metal surfaces. Avoid direct contact with skin to prevent irritation or injury.
- **Use Proper Technique:** When using the stones, apply even pressure and maintain the correct angle to achieve optimal results and avoid accidents.
- **Dry or Wet Use:** The stones can be used dry or with water. If using water, ensure the work area is not slippery to prevent falls.
- **Do Not Force the Stones:** If you encounter resistance while using the stones, stop and reassess your technique rather than applying excessive force.
- **Storage:** Store the ceramic stones in their fitted plastic tray with the lid closed to prevent damage and keep them clean.

Instructions for Installation and Usage

1. **Preparation:** Ensure your work area is clean and free of debris. Gather all necessary tools and materials.
2. **Select the Appropriate Stone:** Choose the triangle, square, or round ceramic stone based on your specific needs.
3. **Position the Metal Workpiece:** Secure the metal workpiece in place to prevent movement during polishing.
4. **Polishing Technique:**
 - For dry use, hold the stone firmly and apply gentle pressure to the metal surface.
 - For wet use, dampen the stone with water before applying it to the metal surface.
 - Move the stone in a consistent motion across the surface, maintaining the correct angle.
5. **Inspect the Results:** After a few strokes, check the surface for desired smoothness and finish. Repeat as necessary.
6. **Clean Up:** After use, clean the ceramic stones and the work area to remove any metal particles or debris.

Disposal Instructions

- Dispose of the ceramic stones in accordance with local regulations regarding ceramic waste.
- Do not dispose of the stones in regular household waste if they are damaged or broken. Check with local authorities for appropriate disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to your local distributor or retailer. They can provide assistance and additional information as needed.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the GUNSMITH'S PREMIUM CERAMIC STONE FILE SET. Always prioritize safety and proper technique to achieve the best results. Thank you for your attention to these important safety measures.
