## Sharp, Precision-Ground Stones With Clean Cutting Edges For Superb Trigger And Sear Work

Flawless, man-made ceramic stones polish the surface of steel as they cut, so you save time as you produce a clean, ripple free surface on any metal with just a few easy strokes. Double, precision grinding after high pressure extrusion produces the consistent, extra-fine grit, true angles and the sharp, perfectly square edges necessary for top quality handgun and rifle trigger work. Extra hard ceramic material maintains its surface so edges stay square and straight without chips or glazing. Cuts can be made dry - so there's no messy cleanup - or with water. With normal care these high quality stones will maintain their edge and last a lifetime.

## Attributes

- Name: [GUNSMITH'S PREMIUM SQUARE CERAMIC STONE](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080721002
- Mfr. No.:
- Style: Ceramic

# GUNSMITH'S PREMIUM CERAMIC STONE FILE SET

## Safety Instructions

### Introduction

Thank you for choosing the GUNSMITH'S PREMIUM CERAMIC STONE FILE SET. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the ceramic stones to maximize your safety and the longevity of the product.

### General Safety Guidelines

- Always inspect the ceramic stones before use. Do not use if there are any visible damages.
- Keep the ceramic stones out of reach of children and vulnerable individuals.
- Use the stones only for their intended purpose, which is polishing and finishing metal surfaces.
- Ensure that your workspace is clean and free of clutter to avoid accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, to protect yourself from debris and sharp edges.
- If you experience any discomfort or injury while using the stones, stop immediately and seek assistance.

### Specific Safety Precautions for Use

- When using the ceramic stones, ensure you have a firm grip and maintain control to prevent slips.
- Avoid applying excessive pressure while using the stones; let the ceramic material do the work.
- Do not use the stones on materials other than metal, as this may cause damage to the stones and create hazardous debris.
- Always clean the stones after use to maintain their effectiveness and prevent contamination.
- If using water during the polishing process, ensure that the workspace is dry and free of electrical hazards.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools and materials, including the ceramic stones, a clean workspace, and any additional equipment required for your specific task.
- Ensure your hands are clean and dry before handling the ceramic stones.

#### 2. Using the Ceramic Stones:

- Select the appropriate stone for your task:
  - Triangle .250" (6.3mm) wide
  - Square .350" (8.8mm) wide
  - Round .250" (6.3mm) diameter
- Hold the stone firmly and apply gentle pressure to the surface of the metal.
- Use smooth, even strokes to achieve a polished finish.
- For best results, alternate between dry use and wet use (with water) as needed.

#### 3. PostUse Care:

- Clean the ceramic stones with a soft brush or cloth to remove any metal particles or debris.
- Store the stones in the fitted plastic tray with the lid closed to protect them from damage and contamination.

## **Disposal Instructions**

- Dispose of any broken or damaged ceramic stones in accordance with local waste management regulations.
- Do not dispose of the stones in regular household waste if they are still in usable condition. Consider donating or recycling them if possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the GUNSMITH'S PREMIUM CERAMIC STONE FILE SET, please contact the manufacturer directly. Ensure that you have the product information ready for a more efficient response.

Thank you for prioritizing safety while using the GUNSMITH'S PREMIUM CERAMIC STONE FILE SET. Your adherence to these guidelines will help ensure a safe and effective experience.
