

GUNSMITH'S PREMIUM CERAMIC STONE FILE SET - GUNSMITH'S PREMIUM ROUND CERAMIC STONE

[Gunsmith Tools & Supplies](#) > [Metal Prep & Coloring](#) > [Stones](#)

Sharp, Precision-Ground Stones With Clean Cutting Edges For Superb Trigger And Sear Work

Flawless, man-made ceramic stones polish the surface of steel as they cut, so you save time as you produce a clean, ripple free surface on any metal with just a few easy strokes. Double, precision grinding after high pressure extrusion produces the consistent, extra-fine grit, true angles and the sharp, perfectly square edges necessary for top quality handgun and rifle trigger work. Extra hard ceramic material maintains its surface so edges stay square and straight without chips or glazing. Cuts can be made dry - so there's no messy cleanup - or with water. With normal care these high quality stones will maintain their edge and last a lifetime.

Attributes

- Name: [GUNSMITH'S PREMIUM ROUND CERAMIC STONE](#)

Safety Instruction Guide for GUNSMITH'S PREMIUM CERAMIC STONE FILE SET

Introduction

Thank you for choosing the GUNSMITH'S PREMIUM CERAMIC STONE FILE SET. This guide provides essential safety information to ensure the safe and effective use of this product. Please read this guide carefully before using the ceramic stones.

General Safety Guidelines

- Ensure that you are using this product for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the ceramic stones before use for any signs of damage or wear.
- Do not use the stones if they are chipped, cracked, or otherwise damaged.
- Use the stones in a welllit and ventilated area.
- Follow all local regulations regarding the disposal of ceramic materials.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, to protect against flying debris.
- Use the stones only on the intended materials (e.g., steel, metal) to avoid damage to the stones.
- Avoid applying excessive pressure while using the stones to prevent breakage.
- Do not use the stones on soft materials, as this may cause them to wear down quickly.
- If using water, ensure the working area is safe and that no electrical equipment is in close proximity to prevent electrical hazards.
- Store the ceramic stones in their fitted plastic tray with the lid closed to avoid damage and ensure safety.

Instructions for Installation and Usage

• Preparation:

- Ensure the workspace is clean and free of clutter.
- Gather all necessary tools and materials before starting.

• Using the Ceramic Stones:

- Select the appropriate stone for your task:
 - Triangle stone: .250" (6.3mm) wide
 - Square stone: .350" (8.8mm) wide
 - Round stone: .250" (6.3mm) diameter
- Hold the stone firmly and use smooth, even strokes to polish the surface of the metal.
- For dry use, ensure the area is clean to avoid dust accumulation.
- For wet use, apply a small amount of water to the surface being polished to reduce friction.

• PostUse Care:

- Clean the stones after each use to remove any metal shavings or debris.
- Dry the stones completely before storing them to prevent moisture damage.

Disposal Instructions

- Dispose of any damaged stones in accordance with local regulations for ceramic materials.
- Do not place the stones in regular household waste if they are damaged; check with local waste management for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the GUNSMITH'S PREMIUM CERAMIC STONE FILE SET, please reach out to the manufacturer or your point of purchase. Always ensure that you are following the latest safety guidelines and regulations.

By following these safety instructions, you can ensure a safe and effective experience with your GUNSMITH'S PREMIUM CERAMIC STONE FILE SET. Thank you for your attention to safety!
