

# 1911 SLIDE FITTING BARS - BROWNELLS 1911 SLIDE FITTING BAR SET

[Gunsmith Tools](#) > [Handgun Tools](#) > [Slide Tools](#)

## Remove Slide "Play" Accurately & Professionally

Surface ground and hardened tool steel bars in ten thicknesses - Recommended by agency armorers and top pistolsmiths as the most accurate way to remove vertical slide "play" from the 1911 Auto, its variations and copies. May be slower than the quick-and-dirty methods, but gives an infinitely more accurate and professional job. Basic procedure as follows: Measure gun's slide rail thickness; place closest-sized Slide Fitting Bar in frame "way"; tap frame rail with light hammer to close the "ways" space down to match the slide rail thickness. Complete instructions included.

# Safety Instruction Guide for 1911 Slide Fitting Bars

## Introduction

Thank you for choosing the 1911 Slide Fitting Bar Set by BROWNELLS. This product is designed to help you achieve precision fitting of the slide on your 1911 Auto and its variations. Please read this safety instruction guide carefully to ensure the safe and effective use of the product.

## General Safety Guidelines

- Ensure that all safety precautions are followed during the use of this product.
- Always handle tools with care to avoid injury.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for wear or damage before use.
- If you encounter any issues or concerns, do not hesitate to seek professional assistance.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Slide Fitting Bars.
- Use the Slide Fitting Bars only as intended. Do not modify or misuse the product.
- Ensure that the firearm is unloaded and in a safe condition before beginning any fitting work.
- Work in a welllit and organized area to minimize the risk of accidents.
- Avoid using excessive force when tapping the frame rail to prevent damage to the firearm or injury to yourself.

## Instructions for Installation and Usage

### 1. Measure the Slide Rail Thickness

- Use a caliper or similar measuring tool to accurately measure the thickness of your firearm's slide rail.

### 2. Select the Appropriate Slide Fitting Bar

- Choose the closest sized Slide Fitting Bar based on your measurement.

### 3. Prepare the Frame

- Place the selected Slide Fitting Bar in the frame "way" where the slide fits.

### 4. Tap the Frame Rail

- Gently tap the frame rail with a light hammer to close the "ways" space down to match the slide rail thickness.
- Ensure that you are applying even and controlled pressure to avoid damaging the frame or slide.

### 5. Complete the Fitting Process

- Follow any additional instructions provided in the included manual for completing the fitting process.
- After use, clean the Slide Fitting Bars and store them in the provided polypropylene storage box to maintain their condition.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding tool and material disposal.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond use, consider recycling the materials where applicable.

## **Contact Information for Further Support**

- For any inquiries or concerns regarding the safety or usage of the 1911 Slide Fitting Bar Set, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions, you will ensure a safer experience while using the 1911 Slide Fitting Bar Set. Always prioritize safety and proper handling techniques to achieve the best results. Thank you for your attention to these important guidelines.
