

# 1911 SLIDE FITTING BARS - BROWNELLS 1911 SLIDE FITTING BAR .117" (2.9818MM)

[Gunsmith Tools](#) > [Handgun Tools](#) > [Slide Tools](#)

## Remove Slide "Play" Accurately & Professionally

Surface ground and hardened tool steel bars in ten thicknesses - Recommended by agency armorers and top pistolsmiths as the most accurate way to remove vertical slide "play" from the 1911 Auto, its variations and copies. May be slower than the quick-and-dirty methods, but gives an infinitely more accurate and professional job. Basic procedure as follows: Measure gun's slide rail thickness; place closest-sized Slide Fitting Bar in frame "way"; tap frame rail with light hammer to close the "ways" space down to match the slide rail thickness. Complete instructions included.

# Safety Instruction Guide for 1911 Slide Fitting Bars

## Introduction

Thank you for choosing the 1911 Slide Fitting Bars by Brownells. These precision tools are designed to help you accurately remove vertical slide "play" from your 1911 Auto and its variations. This guide provides essential safety instructions to ensure safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents and injuries.
- Always inspect the product before use to ensure it is in good condition.
- Use the product only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any defects or issues with the product, discontinue use immediately and seek advice.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Slide Fitting Bars.
- Be cautious when tapping the frame rail with a hammer to avoid damaging the firearm or the fitting bars.
- Ensure that the firearm is unloaded and clear of ammunition before beginning any work.
- Do not use excessive force when fitting the bars; this can lead to damage or injury.
- Store the Slide Fitting Bars in a safe location, preferably in the provided storage box, when not in use.

## Instructions for Installation and Usage

1. **Measure the Slide Rail Thickness** Measure the thickness of your gun's slide rail accurately using a caliper to determine the appropriate Slide Fitting Bar size.
2. **Select the Correct Slide Fitting Bar** Choose the Slide Fitting Bar that is closest in size to your measured slide rail thickness.
3. **Prepare the Frame** Place the selected Slide Fitting Bar into the frame "way" where the slide fits.
4. **Tap the Frame Rail** Using a light hammer, gently tap the frame rail to close the "ways" space down to match the slide rail thickness. Ensure that you are tapping evenly and carefully.
5. **Check Fitment** After tapping, check the fitment of the slide to ensure that there is no vertical play. Repeat the process if necessary with a different fitting bar.
6. **Complete Instructions** Follow any additional instructions provided with the product for detailed procedures and tips for achieving the best results.

## Disposal Instructions

- Dispose of any damaged or wornout Slide Fitting Bars responsibly.
- Follow local regulations for the disposal of metal products.
- If applicable, recycle the product according to local recycling guidelines.

## Contact Information for Further Support

For any inquiries or concerns regarding the use of the 1911 Slide Fitting Bars, please refer to the contact information provided with your product packaging or visit the manufacturer's website for further assistance.

Thank you for following these safety instructions. Your careful attention to these guidelines will help ensure a

safe and effective experience with your 1911 Slide Fitting Bars.
